34656: **Wilhelm** couldn't contain a jubilant shriek.

26426: Wilhelm couldn't contain a jubilant shriek.

34699: He couldn't have changed his mind about her just because **they happened to exchange a word or two over the night**, could he?

26469: He couldn't have changed his mind about her just because **of that stupid one-night stand**, could he?

34723: "...Huh?"

26493: "Huh?"

34787: "..."

26557: "....."

34815: Swastika — 4/8

26585: "Swastika — 4/8"

VIII: Nachtzehrer

36755: Then, after the event, go toy with Karl's substitute. Reforge him with your blazing **loge**.

28918: Then, after the event, go toy with Karl's substitute. Reforge him with your blazing **Loge**.

36781: It seemed like Shirou and Honjou knew significantly more about the Obsidian Round Table than I did. Plus — at least according to Father

36782: Trifa — they should've still been alive, no doubt hanging out at that club of theirs.

28944: It seemed like Shirou and Honjou knew significantly more about the Obsidian Round Table than I did. Plus — at least according to Father Trifa — they should've still been alive, no doubt hanging out at that club of theirs.

36860: She was the only person at school I could still call a friend, now that Himuro had basically turned out to be one of them. In a way, Kasumi was now my **achilles** heel.

29022: She was the only person at school I could still call a friend, now that Himuro had basically turned out to be one of them. In a way, Kasumi was now my **Achilles** heel.

36948: I shoved Marie aside — who had shown no sign of letting go of my

36949: head — and took a closer look at Kasumi's blinking phone.

29110: I shoved Marie aside — who had shown no sign of letting go of my head — and took a closer look at Kasumi's blinking phone.

37006: I slammed the receiver down so hard it shook the table

29167: I slammed the receiver down so hard it shook the table.

37078: "Good person' is a convenient expression you use when you desperately need to give praise to someone hopeless." (нет одинарной кавычки в начале)

29239: "'Good person' is a convenient expression you use when you desperately need to give praise to someone hopeless."

37143: My discarding of that principle — which was more like a stubborn

37144: fixation — was probably caused by the feeling of powerlessness. (лишний пробел после точки)

29304: My discarding of that principle — which was more like a stubborn fixation — was probably caused by the feeling of powerlessness.

37275: She was talking about the thing I heard from Reinhard. The hardly believable bullshit that this town was built by their accomplices who were here before, during and after World War II.

29435: She was talking about the thing I heard from Reinhard. The hardly believable bullshit that this town was built by their **Nazi** accomplices who were here before, during and after World War II.

37851: "Ah...!"

30011: "Ah..."

37861: "Don't worry. It's **not alcoholic**."

30021: "Don't worry. It's **non-alcoholic**."

37872: "Ah, okay. Wait, what!? **Y-you're** as old as..."

30032: "Ah, okay. Wait, what!? **Y-You're** as old as..."

37906: "Ah...!"

30066: "Ah..."

37984: "**Eh**, a masochist? Me? Not at all. With all the relentless poking I do, I'm more of **an** sadist."

30144: "**Huh**, a masochist? Me? Not at all. With all the relentless poking I do, I'm more of **a** sadist."

38031: "Ah...!"

30191: "Ah..."

38036: "Ahh..."

30196: "Aahh..."

38099: Yes. The audience.

30259: Yep.

38440: Spinne and Babylon may have been cravens to the core, but in **certain** ways, they were far above us, First Lieutenant Bey.

30600: Spinne and Babylon may have been cravens to the core, but in **certain** ways, they were far above us, First Lieutenant Bey.

38474: "I wonder. I was born in a complete shithole, so I don't know piss about that. Anyway, guess now I know what you've been up to behind the scenes. Do whatever the fuck you want.

38476: As long as the Swastikas function, I don't care who's gonna be the core, and I'm willing to bet Lord Heydrich feels the same way.

30634: "I wonder. I was born in a complete shithole, so I don't know piss about that.

30636: Anyway, guess now I know what you've been up to behind the scenes. Do whatever the fuck you want.

30637: v_vi2071

30638: As long as the Swastikas function, I don't care who's gonna be the core, and I'm willing to bet Lord Heydrich feels the same way.

38509: Swastika — 3/8

30671: "Swastika — 3/8"

VIII: Memento mori

38706: It seemed like Shirou and Honjou knew significantly more about the Obsidian Round Table than I did. Plus — at least according to **Father Trifa** — they should've still been alive, no doubt hanging out at that club of theirs.

30868: It seemed like Shirou and Honjou knew significantly more about the Obsidian Round Table than I did. Plus — at least according to **the priest** — they should've still been alive, no doubt hanging out at that club of theirs.

38783: She was the only person at school I could still call a friend, now that Himuro had basically turned out to be one of them. In a way, Kasumi was now my **achilles** heel.

30945: She was the only person at school I could still call a friend, now that Himuro had basically turned out to be one of them. In a way, Kasumi was now my **Achilles** heel.

38871: I shoved Marie aside — who had shown no sign of letting go of my

38872: head — and took a closer look at Kasumi's blinking phone.

31033: I shoved Marie aside — who had shown no sign of letting go of my head — and took a closer look at Kasumi's blinking phone.

39399: Marie blinked at us in complete confusion. And I could hardly blame

39400: her — that came out of nowhere.

31560: Marie blinked at us in complete confusion. And I could hardly blame her — that came out of nowhere.

39913: I wouldn't answer.

32120: I wouldn't answer.

32121: I wouldn't answer.

40205: "So..."

32413: "C'mon, guys..."

40215: "...?!"

32423: "...!"

40337: "...?!"

32545: "...!!"

40489: "In other words..."

32697: "Do you mean..."

40540: "The third has opened."

32748: "That the third had opened."

40570: "If anything, the biggest and only factor that could threaten it has been eliminated tonight. No one would know — not even the person

40571: concerned — but Bey has just distinguished himself in the most meritorious of war efforts. There is no turning back now.

32778: "If anything, the biggest and only factor that could threaten it has been eliminated tonight. No one would know — not even the person concerned — but Bey has just distinguished himself in the most meritorious of war efforts. There is no turning back now.

40620: "..."

32827: "...!"

40659: "Huh?"

32866: "Hahh?"

40728: Why the hell wasn't **the** the other one around?

32935: Why the hell wasn't the other one around?

40775: It was first that woman who got in the way of their battle at the dawn of the Obsidian Table, and in the end, it was He who subdued them both, cursing their duel to an eternal stalemate.

32982: It was first

32983: that woman

32984: who got in the way of their battle at the dawn of the Obsidian Table, and in the end, it was He who subdued them both, cursing their duel to an eternal stalemate.

40785: "What?"

32994: "Remember what?"

40792: The stern eyes of the girl regarded Rusalka with suspicion and anger. It was most likely she came here after realizing she had been by the princess.

33001: The stern eyes of the girl regarded Rusalka with suspicion and anger. It was most likely she came here after realizing she had been **dealt a blow** by the princess.

40807: Swastika — 3/8

33016: "Swastika — 3/8"

IX: Mass Murderer

40986: "..."

33195: "...!"

41096: "I have nothing to say."

33305: "I don't care."

41176: "..."

33385: "...!"

41178: the giant disc of a full moon hanging in the sky

33387: the giant disc of a full moon hanging in the sky

33388: .

41179: Its ominous, reddish light pierced through my skin like needles. I shuddered from the cold, feeling inexplicable exhaustion take a hold my body.

33389: Its ominous, reddish light pierced through my skin like needles. I shuddered from the cold, feeling inexplicable exhaustion take a hold **of** my body.

41287: "It would make sense for them to have a plan in place regardless of my presence here. **Wilhelm** might not care, but Rusalka..."

33497: "It would make sense for them to have a plan in place regardless of my presence here. **Wilhelm** might not care, but Rusalka..."

41308: Though it also made me curious why **would Wilhelm** let us run free inside a place that might as well have been his belly.

33518: Though it also made me curious why **Wilhelm would** let us run free inside a place that might as well have been his belly.

41335: "..."

33545: "...!"

41349: "Huh?"

33559: "Hm?"

41497: "..."

33707: "...!"

43954: I didn't want to lose the **day-to-day** life I loved so much.

51863: I was gonna go back to my **day to day** life again, where Kasumi was waiting.

43960: I was gonna go back to my **day-to-day** life again, where Kasumi was waiting.

51889: "Aghh...!?"

43986: "Aghh... What!?"

51938: "..."

44035: "...!"

51972: I poised my right arm above her head . Even though there was no need for it — I only needed to add a little bit of strength to send Sakurai's head flying like Cain's — I still used as wide a motion as I could muster. (лишний пробел после head)

44069: I poised my right arm above her head. Even though there was no need for it — I only needed to add a little bit of strength to send Sakurai's head flying like Cain's — I still used as wide a motion as I could muster.

52008: I could **her** loathing in her voice.

44105: I could **hear** loathing in her voice.

52077: "Yeah..."

44174: "Right..."

X: Vanargand

52236: ich **wurde** seiner gedenken: mög' er,

44333: ich **würde** seiner gedenken: mög' er,

52279: He landed gracefully on the ground, and promptly jumped for another

52280: spin—

44376: He landed gracefully on the ground, and promptly jumped for another spin—

52310: Yet he had already fired a hundred, a two hundred, no, even more shots.

44406: Yet he had already fired a hundred, two hundred, no, even more shots.

52315: Ah, halt your stride, O noble Moon, for I need to know: where does my beloved wait for me?

44411: Ah, halt your stride, O noble Moon, and reveal my beloved to me!

52646: Honjou's disgust didn't seem to be mirrored in Shirou, who simply made **an** fascinated smile.

44742: Honjou's disgust didn't seem to be mirrored in Shirou, who simply made **a** fascinated smile.

52675: "I don't think I know that much. And most of the things I do know are stuff I wouldn't have believed until a couple days ago."

44771: "I don't think I know that much. And most of the things I

44772: do

44773: know are stuff I wouldn't have believed until a couple days ago."

52751: "Unless you're living in some remote dump with ten people that all have same last name, I doubt a lot of people would actually know or care about their second cousins."

44849: "Unless you're living in some remote dump with ten people that all have **the** same last name, I doubt a lot of people would actually know or care about their second cousins."

52973: And so while there were still many things I would have liked to know about, we already learned enough from her tonight — just as Shirou

52974: said — and I decided not to torment her with painful memories any further.

45071: And so while there were still many things I would have liked to know about, we already learned enough from her tonight — just as Shirou said — and I decided not to torment her with painful memories any further.

53155: Where did this blindness — this nigh-comical short-sightedness of

53156: theirs — originate from?

45252: Where did this blindness — this nigh-comical short-sightedness of theirs — originate from?

53217: "You're wrong and being lied to, so, please join us in our quest in defeating evil and saving the world'...? Heh, you kiddin' me? Get outta town." (НЕТ ОДИНАРНОЙ КАВЫЧКИ В НАЧАЛЕ)

45313: "You're wrong and being lied to, so, please join us in our quest in defeating evil and saving the world'...? Heh, you kiddin' me? Get outta town."

53273: The first thing I'd do was tell her that I planned to kill Cain. From the way it seemed, she had sacrificed everything, soiling her hands with blood —all for the sake of getting her brother back.

53274: And that resolve, in a way, felt somewhat similar to mine — the way I had been forced to embrace the abnormal to reclaim my normal life.

45369: The first thing I'd do was tell her that I planned to kill Cain. From the way it seemed, she had sacrificed everything, soiling her hands with blood —all for the sake of getting her brother back. And that resolve, in a way, felt somewhat similar to mine — the way I had been forced to embrace the abnormal to reclaim my normal life.

53335: In a way, more cruel than a cold-blooded assassin.

45430: In a way, **he was** more cruel than a cold-blooded assassin.

53399: Spending the day battling Cain, then running into that sombre captain, not to mention the stress of having Kasumi taken away. Sakurai had it

53400: right — I was far from being in top shape myself.

45494: Spending the day battling Cain, then running into that sombre captain, not to mention the stress of having Kasumi taken away. Sakurai had it right — I was far from being in top shape myself.

53414: "I see."

45508: "Is that so?"

53448: "Yeah..."

45542: "I do..."

53454: Sermons weren't my thing to begin with. Maybe if Kasumi was around, she'd start lecturing us both in her usual, hot-headed way, but as for

53455: me — I just wasn't the type to do that.

45548: Sermons weren't my thing to begin with. Maybe if Kasumi was around, she'd start lecturing us both in her usual, hot-headed way, but as for me — I just wasn't the type to do that.

53480: I knew that. All **to** well. But I still had to say them.

45573: I knew that. All **too** well. But I still had to say them.

53680: "I did my best. I did everything I could... I put my life — everything I

53681: had — on the line.

45773: "I did my best. I did everything I could... I put my life — everything I had — on the line."

53794: "Damn straight I am.."

45886: "Damn straight I am."

45987: v_ke4381

45988: "My stomach still hurts..."

54160: Shirou stared up at **the roof**, a shovel on his shoulder, smoke escaping his grin.

46972: Shirou stared up at **one of the fourth floor windows**, a shovel on his shoulder, smoke escaping his grin.

54161: He could hear them running amok on the roof, but it has been a while since sounds of battle ceased. They **had** probably reached a conclusion, though he couldn't exactly tell what kind.

46973: He could hear them running amok on the roof, but it has been a while since sounds of battle ceased. They probably reached a conclusion **in the classroom below**, though he couldn't exactly tell what kind **of**.

54162: Still, he could guess all right. If he cried out their names right now, they'd probably both peek their heads out. Shirou was just about finished with this errand so he thought he might as well go make fun of them to kill some time.

46974: Still, he could guess all right. If he cried out their names right now, they'd probably both peek their heads out **that window**. Shirou was just about finished with this errand so he thought he might as well go make fun of them to kill some time.

54299: Sakurai seemed like she wanted to tell me something as **made my way towards the edge of the roof, preparing to jump down.**

47111: Sakurai seemed like she wanted to tell me something as **I opened the window and was about to jump out.**

54334: I leapt **down**, ignoring the voice behind me.

47146: I leapt **out the window**, ignoring the voice behind me.

54405: "...!"

XI: Ghetto der Ewigkeit

63542: It was reasonable assume he was akin to the roots of humanity, which brought him to another one of his theories.

57259: It was reasonable **to** assume he was akin to the roots of humanity, which brought him to another one of his theories.

63544: Despite never making any attempts to prolong his life, he was

63545: everlasting — the perpetually wandering Ahasver. As the creator of the rule governing this ever-enduring

57261: Despite never making any attempts to prolong his life, he was everlasting — the perpetually wandering Ahasver. As the creator of the rule governing this ever-enduring

63710: A child born with the genes of an ubermensch, or — going by his

63711: example — the child of a leopard.

57426: A child born with the genes of an ubermensch, or — going by his example — the child of a leopard.

63904: Being the first irregularities I ever met, Rusalka and Wilhelm left quite a strong impression on me. And now I found out they were killed by

63905: Albedo — the one Battalion Commander I hadn't seen yet.

57619: Being the first irregularities I ever met, Rusalka and Wilhelm left quite a strong impression on me. And now I found out they were killed by Albedo — the one Battalion Commander I hadn't seen yet.

63941: Who was that I saw?

57655: Who was **it** that I saw?

63969: What Kei pictured was something that would completely change the way she lived. A '**maybe**' she slightly yearned for.

57683: What Kei pictured was something that would completely change the way she lived. A "**maybe**" she slightly yearned for.

64069: The surroundings lost their vividness as the city's hustle and bustle faded away, and after a moment of thought, she realized she didn't even know the names of the '**friends**' she so affectionately talked to.

57783: The surroundings lost their vividness as the city's hustle and bustle faded away, and after a moment of thought, she realized she didn't even know the names of the "**friends**" she so affectionately talked to.

64269: "So..."

57983: "Hey, now..."

64272: they were assuming **what** I'd do under normal circumstances, but...

57986: **what** they were assuming I'd do under normal circumstances, but...

64344: This odd **strange** of affairs left me confused for two main reasons. One was about the giant making a move despite the fact that without Sister Lisa — its controller — it shouldn't have been more than a wooden doll. The other was that it chose to attack the priest.

58058: This odd **state** of affairs left me confused for two main reasons. One was about the giant making a move despite the fact that without Sister Lisa — its controller — it shouldn't have been more than a wooden doll. The other was that it chose to attack the priest.

64384: It was a vicious flurry I would have to force myself to dodge no matter what, but the priest didn't even flinch as he took all the hits with barely any visible effort and his usual smile on his face.

58098: It was a vicious flurry I would have **had** to force myself to dodge no matter what, but the priest didn't even flinch as he took all the hits with barely any visible effort and his usual smile on his face.

64474: In terms of battle prowess — the ability to effectively slaughter an

64475: enemy — Valeria Trifa couldn't hold a candle to the cadaver.

58188: In terms of battle prowess — the ability to effectively slaughter an enemy — Valeria Trifa couldn't hold a candle to the cadaver.

64539: "..."

58252: "...!"

64550: "So you dodge

58263: "So you dodged

64557: "...as you can clearly see, I am indestructible. Not completely,

64558: however — there exist a select few methods to break even me". (точка на конце за пределами кавычек)

58270: "...as you can clearly see, I am indestructible. Not completely, however — there exist a select few methods to break even me."

64655: "Dude, what's wrong?"

58367: "What's wrong?"

64691: I didn't even get mad. The situation didn't allow it — besides, any complaints I'd spout at this guy would **all** on deaf ears.

58403: I didn't even get mad. The situation didn't allow it — besides, any complaints I'd spout at this guy would **fall** on deaf ears.

64692: Before I blanked out, I had to put him **in** the shortest leash I could.

58404: Before I blanked out, I had to put him **on** the shortest leash I could.

64836: "..."

58548: "Ah...!"

64839: "...Ah."

58551: "Ah..."

64959: "So..."

58671: "Thus..."

65001: "One might also call it the realm of Asura. Or perhaps a Valhalla where the **Einherjars** ceaselessly kill one another and get resurrected only to fight again."

58713: "One might also call it the realm of Asura. Or perhaps a Valhalla where the **Einherjar** ceaselessly kill one another and get resurrected only to fight again."

65072: "However..."

58784: "But..."

65149: And **in** the end, I just...

58861: And **in** the end, I just...

65177: "Exactly."

58889: "Yes, you do."

65346: Victory belonged to me and Marie. She and I were one and the same — we couldn't be parted, nor did we want to.

59058: Victory belonged to me and Marie.

65359: As the twilight gently cradled us, we tightly embraced each other and exchanged our warmth...

65360: ...and while I pleaded for time to halt, I carved the light of this moment into my very soul.

65487: "...Ah."

59692: "Ah..."

65508: I am honored to have the privilege of **meeting** your acquaintance. May I use this occasion to have a little chat with you?

59713: I am honored to have the privilege of **making** your acquaintance. May I use this occasion to have a little chat with you?

65633: "Love, murderous intent, amity, respect, animosity — all of it is equal among us. It's a given to all **Einherjars** alike. We kill, get killed, and come back to fight again. It's how we compare our souls in preparation for all the battles we'd have until the ultimate twilight.

59838: "Love, murderous intent, amity, respect, animosity — all of it is equal among us. It's a given to all **Einherjar** alike. We kill, get killed, and come back to fight again. It's how we compare our souls in preparation for all the battles we'd have until the ultimate twilight.

65711: The Gold's Imperial Guard were immortal **Einherjars** — there was no way he could break through all of them at once. Ren was a fool who, knowing that Rea was imprisoned here, would rush to her side without hesitation. And she wanted to prevent that, no matter what.

59916: The Gold's Imperial Guard were immortal **Einherjar** — there was no way he could break through all of them at once. Ren was a fool who, knowing that Rea was imprisoned here, would rush to her side without hesitation. And she wanted to prevent that, no matter what.

65918: First, he spoke a certain nonsense to imprint a direct connection between Lisa's death and "**that place**".

60123: First, he spoke a certain nonsense to imprint a direct connection between Lisa's death and '**that place**'.

65926: Indeed, the Divine Vessel's **craftyness** was a force to be reckoned with. Not a single soul could know that he had Kasumi Ayase at his side.

60131: Indeed, the Divine Vessel's **craftiness** was a force to be reckoned with. Not a single soul could know that he had Kasumi Ayase at his side.

65939: **Ayase Kasumi** was lying on a bench behind the priest. Kei couldn't mistake her for anyone else. Why was she there? What was the meaning of her presence?

60144: **Kasumi Ayase** was lying on a bench behind the priest. Kei couldn't mistake her for anyone else. Why was she there? What was the meaning of her presence?

66112: "..."

60317: "...!"

66146: As you have only loved your mirror image, the only thing you will gain is a reflection of your own monstrous self. Thus, your loved ones will return as beasts of battle, exactly like you — **Einherjars** eternally slaving away at a perpetual dash through the fields of slaughter.

60351: As you have only loved your mirror image, the only thing you will gain is a reflection of your own monstrous self. Thus, your loved ones will return as beasts of battle, exactly like you — **Einherjar** eternally slaving away at a perpetual dash through the fields of slaughter.

66207: "Wha—"

60412: "Wha—!?"

66433: "Wir **schliesen** keinen Bruderpakt Mit Roten und mit Welschen."

60638: "Wir **schließen** keinen Bruderpakt Mit Roten und mit Welschen."

66446: "Why the rush? Wait until I'm done."

60651: Why the rush? Wait until I'm done.

66451: "zu einem Ding macht alle"

66452: "Mühe und Arbeit gering"

60656: "...zu einem Ding macht alle Mühe und Arbeit gering."

66469: "It's a simple choice with only two options. If you get to the place now, you might just make **It** in time and save her."

60673: "It's a simple choice with only two options. If you get to the place now, you might just make **it** in time and save her."

66471: "I won't let you, though. Come too close and you'll get the right welcome. Both of you are fifty years too early to properly stand against Lord Heydrich's **Einherjars**."

60675: "I won't let you, though. Come too close and you'll get the right welcome. Both of you are fifty years too early to properly stand against Lord Heydrich's **Einherjar**."

XI: Xenogenesis

67903: The last time I had the chance to speak with Marie was **still** in the castle. Ever since I woke up, she hadn't been **responding** to my attempts of calling her.

62106: The last time I had the chance to speak with Marie was in the castle. Ever since I woke up, she hadn't been responding to my attempts of calling her.

67924: And look where that got us. I might have received incredible power, but completely lost my senses and even ended up physically altered. I couldn't quite say that in front of Himuro, but I felt as if I had **overwritten** Marie with that dreadful thing.

62127: And look where that got us. I might have received incredible power, but completely lost my senses and even ended up physically altered. I couldn't quite say that in front of Himuro, but I felt as if I had **raped** Marie with that dreadful thing.

67925: With my own craving...

68152: I'd win. I swore to never lose again.

68153: Himuro wrapped her arms around my back, and I answered her embrace, feeling even more love for those tiny, shivering shoulders in my arms. I made sure to engrave my warmth both into her body and memories.

68154: Whatever happened, I'd never let anyone else have this. I'd never let her go.

68158: And I'd pride myself on my naïve conviction. You could dismiss my words with a snort, reminding me that I had already lost far more than what I could protect, but I wouldn't care.

62569: I would take pride in that foolish nonsense now, no matter what scorn or ridicule I received from the ones I had already lost. If they wanted to mock me, they could mock me all they wanted.

68160: That was my final promise. Surrounded by kindness and affection, I closed my eyes and engraved it upon my heart, vowing never to break it.

62571: That was the final vow I made to myself — one I would never break again. As I felt the warmth of happiness engulf my heart, I finally succumbed to the call of slumber.

68186: Ironically, having been born to the lowest stratum of society gifted him with a bestial —**and** quite unprecedented — affinity for battle.

62597: Ironically, having been born to the lowest stratum of society gifted him with a bestial — **and** quite unprecedented — affinity for battle.

68330: You easily shattered its daily life — its craving —**to** shreds, and kept doing it over and over again.

62741: You easily shattered its daily life — its craving — **to** shreds, and kept doing it over and over again.

68491: His throat grew numb. He could barely **breath**. His vision grew hazy. The world had lost all color and sound.

62902: His throat grew numb. He could barely **breathe**. His vision grew hazy. The world had lost all color and sound.

XIII: Holy Ark

76605: In short, he clung to faith — to his own love for God. It had been a concept ubiquitous among human societies. While religion divided into different sects with their own values, all of them had one thing in

76606: common — prayer. A belief in the existence of a greater power that created mankind.

71004: In short, he clung to faith — to his own love for God. It had been a concept ubiquitous among human societies. While religion divided into different sects with their own values, all of them had one thing in common — prayer. A belief in the existence of a greater power that created mankind.

76613: He hoped that being a part of the world's largest organization would make him feel like human, like he belonged.

71011: He hoped that being a part of the world's largest organization would make him feel like **a** human, like he belonged.

76663: But precisely because of that impossibility, he yearned for it all the

76664: more — from the bottom of his heart.

71061: But precisely because of that impossibility, he yearned for it all the more — from the bottom of his heart.

70475: "It's not fair, is it?"

64883: It's not fair, is it?

76678: Though it was a purely narcissistic choice, those children — those flowers — smiled at him. He put his all into raising them, as if hoping they would liberate him from all the bitter memories that plagued his

76679: mind — the painful noise of his past.

71075: Though it was a purely narcissistic choice, those children — those flowers — smiled at him. He put his all into raising them, as if hoping they would liberate him from all the bitter memories that plagued his mind — the painful noise of his past.

76684: That time had only lasted for about three months of this ninety-something old man's life, but those three months were the brightest period of his life.

71080: That time had only lasted for about three months of this ninety-something year **old** man's life, but those three months were the brightest period of his life.

76744: He heard **children** voices calling out his name.

71140: He heard **children's** voices calling out his name.

76748: "Ten of them."

71144: "Ten."

76993: "Sis'?"

71389: "'Sis'?"

77071: She would fight.

71467: I won't lose.

77080: "Then come this way. **Fröhliche** Weihnachten."

71476: "Then come this way. **Frohe** Weihnachten."

77081: Rea could not let someone who should rather be celebrating her birthday **to** die tonight. Not by any circumstances.

71477: Rea could not let someone who should rather be celebrating her birthday die tonight. Not by any circumstances.

77103: It had been one of the tenets of **the** common sense to stick with the largest faction, the veracity of its laws and morals notwithstanding. As such, Kei had nothing to be ashamed for.

71499: It had been one of the tenets of common sense to stick with the largest faction, the veracity of its laws and morals notwithstanding. As such, Kei had nothing to be ashamed for.

77106: The girls could not bring themselves to look each other in the eye, but Kasumi nonetheless spoke with clear voice.

71502: The girls could not bring themselves to look each other in the eye, but Kasumi nonetheless spoke with **a** clear voice.

77259: But hey, Sakurai... Has this thought never crossed **you** mind?

71655: But hey, Sakurai... Has this thought never crossed **your** mind?

77267: He'd kept the demonic aura cladding his body preserved at dangerous threshold, but he wasn't doing anything. He appeared almost unsettlingly calm. Shirou was **soon** to point it out.

71663: He'd kept the demonic aura cladding his body preserved at dangerous threshold, but he wasn't doing anything. He appeared almost unsettlingly calm. Shirou was **quick** to point it out.

77342: Stupid fucks, it's 60 years too late to puss out. I **already** resolved myself to all this shit the moment I met him.

71738: Stupid fucks, it's 60 years too late to puss out. I **already** resolved myself to all this shit the moment I met him.

77345: "Though their circumstances are bit different; **Shreiber**, Samiel, and Machina are the same as me. We ain't scared of shit at this point."

71741: "Though their circumstances are bit different; **Schreiber**, Samiel, and Machina are the same as me. We ain't scared of shit at this point."

77354: It's always like this. I can't get anything I want. **Who's** fault is it? What's the problem? What is it that I need to fix?

71750: It's always like this. I can't get anything I want. **Whose** fault is it? What's the problem? What is it that I need to fix?

77438: "The fuck you're talking about!"

71834: "The fuck you talking about?!"

77447: It was just a punch. The bastard may have ruptured some of his internal organs, but Shirou felt no pain from anything short of a direct hit from an Ahnenerbe. He couldn't help getting choked up over his labored breathing, but it wasn't damage that'd keep him from fighting (НЕТ ТОЧКИ В КОНЦЕ)

71843: It was just a punch. The bastard may have ruptured some of his internal organs, but Shirou felt no pain from anything short of a direct hit from an Ahnenerbe. He couldn't help getting choked up over his labored breathing, but it wasn't damage that'd keep him from fighting.

77526: Some succumbed to fear, **others**, chose the path of subservience, some venerated their subjugator, while others cursed and despised him.

71922: Some succumbed to fear, **others** chose the path of subservience, some venerated their subjugator, while others cursed and despised him.

77542: Wilhelm said that in a kind voice. He didn't know what Shirou sought, but he could feel he too was chasing after that which he couldn't obtain, dancing to a **rhasphody** of destruction.

71938: Wilhelm said that in a kind voice. He didn't know what Shirou sought, but he could feel he too was chasing after that which he couldn't obtain, dancing to a **rhapsody** of destruction.

77554: Bloody laughter filled the night sky. The moon twisted and gained a crimson color. Shirou realized **it** was it.

71950: Bloody laughter filled the night sky. The moon twisted and gained a crimson color. Shirou realized **that** was it.

77705: "You always act so tough. You really believe your own strength that much, huh?"

72101: "You always act so tough. You really believe **in** your own strength that much, huh?"

77751: "If I do that, I'll become a traitor. Lord Heydrich will deem me **unnecessary**."

72147: "If I do that, I'll become a traitor. Lord Heydrich will deem me **unnecessary**."

77903: "...!"

72299: "..."

77916: das er mit sich **fuh**rte und die Länge von zehn nebeneinander gelegten

72312: das er mit sich **föh**rte und die Länge von zehn nebeneinander gelegten

78003: "..."

72399: "...!"

78165: "Wha..."

72561: "What..."

78179: "...!"

72575: "..."

78303: If life started with a cry, perhaps it wouldn't be too much to ask it **would** end with a smile.

72699: If life started with a cry, perhaps it wouldn't be too much to ask **if** it **could** end with a smile.

78401: "You should already be aware title of 'student' does not possess any meaning in her case."

72797: "You should already be aware **the** title of 'student' does not possess any meaning in her case."

78404: "I was the one who raised her until she could stand on her own, but if there is a word to describe, it would be ghost. She only looks to the past and the dead — she never sees the present and future.

72800: "I was the one who raised her until she could stand on her own, but if there is a word to describe **her**, it would be ghost. She only looks to the past and the dead — she never sees the present and future.

78435: "So..."

72831: "Look..."

78514: "But that train of thought begets no good. To **coin** a phrase from Theresia, that is just asking for trouble. The idea that salvation is found in death, not life, opens the doors to Hell."

72910: "But that train of thought begets no good. To **borrow** a phrase from Theresia, that is just asking for trouble. The idea that salvation is found in death, not life, opens the doors to Hell."

78611: Take out the part how we wish for the **each** other's death, and we are basically trying to achieve the same thing.

73007: Take out the part how we wish for the other's death, and we are basically trying to achieve the same thing.

78674: "Well now..."

73070: "Well well..."

78695: "..."

73091: "...!"

78833: "However—"

73229: "However..."

78987: All I cared about was that she was safe. The rest we could turn into a funny story we **reminiscenced** over a decade later.

73383: All I cared about was that she was safe. The rest we could turn into a funny story we **reminisced about** over a decade later.

79124: So I would end up taking **a** life of a father of a girl I cared about not once, but twice.

73520: So I would end up taking **the** life of a father of a girl I cared about not once, but twice.

79227: But neither was she the type to lose spirit. She considered all realistic solutions that she could reasonably carry **off** in this situation.

73623: But neither was she the type to lose spirit. She considered all realistic solutions that she could reasonably carry **out** in this situation.

79390: "Indeed. Just as a needle **couldn't** break a rampart, so **could** no battering ram **could** break a mountain."

73786: "Indeed. Just as a needle **cannot** break a rampart, so **can** no battering ram break a mountain."

79437: "Ghahh...!"

73833: "Gah...!"

79440: Judging from his attacks, his abilities in single combat were about on the same level as **Sakurai**, and certainly below **Wilhelm**. Still, it was incredibly difficult to mount an offense against an opponent with no need to protect himself. I couldn't just keep focusing on one point forever, as he would fight back.

73836: Judging from his attacks, his abilities in single combat were about on the same level as **Sakurai's**, and certainly below **Wilhelm's**. Still, it was incredibly difficult to mount an offense against an opponent with no need to protect himself. I couldn't just keep focusing on one point forever, as he would fight back.

79455: "Creating night during day. Being bound by a shadow's touch. Setting your body ablaze— As long as you entertain even a single iota of the idea that '**any** of those are 'logically' **impossible**', you cannot attain the Beri'ah Degree."

73851: "Creating night during day. Being bound by a shadow's touch. Setting your body ablaze— As long as you entertain even a single iota of the idea that **any** of those are 'logically' **impossible**, you cannot attain the Beri'ah Degree."

79459: "It is in complete **opposite of** you, whose greatest desire is to return to your day-to-day life. The gate to miracles will not open with your prudent judgment **is** getting in the way."

73855: "It is in **complete opposition** to you, whose greatest desire is to return to your day-to-day life. The gate to miracles will not open with your prudent judgment getting in the way."

79540: "Killing thousands to bring back one mere life. It might seem hopelessly unbalanced at first glance, but it is a fair exchange, if personal value is what **you've** weighed."

73936: "Killing thousands to bring back one mere life. It might seem hopelessly unbalanced at first glance, but it is a fair exchange, if personal value is what **you have** weighed."

79627: He slammed my head into the floor for **I don't know which** time. My vision had grown all red, and static flooded my ears.

74023: He slammed my head into the floor for **the nth** time. My vision had grown all red, and static flooded my ears.

79645: "...!"

74041: "..."

79650: "What... You... deaf...?"

74046: "What... you... deaf...?"

79658: "...!"

74054: "..."

79701: "I am his substitute. I am Gemini — his **Zwillinge** — the one who will carry out my own Dies Irae as Lord Heydrich's shadow and the alternate Gold... He must have foreseen something like this happening."

74097: "I am his substitute. I am Gemini — his **Zwilling** — the one who will carry out my own Dies Irae as Lord Heydrich's shadow and the alternate Gold... He must have foreseen something like this happening."

80011: ...wasn't he supposed to do his all **of** send the souls of his beloved children off to Heaven, rather than trying to become Gold?

74407: ...wasn't he supposed to do his all **to** send the souls of his beloved children off to Heaven, rather than trying to become Gold?

80023: "...!"

74419: "..."

80176: "I must... have looked... like such **an** fool..."

74572: "I must... have looked... like such **a** fool..."

80290: She didn't even realize it was the time for sun to set already.

74686: She didn't even realize it was the time for **the** sun to set already.

80304: "I will kill Fujii"

74700: "I will kill Fujii."

80325: "...!"

74721: "..."

80326: Kasumi momentarily forgot to breathe. Though she'd expected as much, hearing it first-hand made her realize the **hopelessness** of the situation.

74722: Kasumi momentarily forgot to breathe. Though she'd expected as much, hearing it first-hand made her realize the **hopelessness** of the situation.

80344: "..."

74740: "...!"

80356: I'll take your head with me to his room. And before I'll kill him, I'll whisper something like this **to** his ear: 'Hey Fujii, how does it feel? I told you to keep that stupidity in moderation, remember?'

74752: I'll take your head with me to his room. And before I'll kill him, I'll whisper something like this **into** his ear: 'Hey Fujii, how does it feel? I told you to keep that stupidity in moderation, remember?'

80418: "...!"

74814: "..."

80463: "Don't..."

74859: "I don't—"

80545: Her death would ensure that the Swastika of **Shamballa** would go to waste.

74941: Her death would ensure that the Swastika of **Shambhala** would go to waste.

80570: "Huh...?"

74966: "Huh?"

80598: "Ahh..."

74994: "Me too..."

80611: It mattered not to him if it was sixty years or hundred years. All he had to do was repeat the same thing.

75007: It mattered not to him if it was sixty years or **a** hundred years. All he had to do was repeat the same thing.

80655: "Hahahaha... Hahahahahahahahahahaha!"

75051: "Hahaha... Hahahahaha,

75052: Hahahahahahahahahahahahahahaha...!"

XIII: Nemo ante mortem beatus

80669: At this point, only divine intervention could make the bullets from his Desert Eagle — a weapon he had trouble holding steady in his right

80670: hand — reach their target. Hell, he had already wasted a good thirty rounds with this nonsense.

75066: At this point, only divine intervention could make the bullets from his Desert Eagle — a weapon he had trouble holding steady in his right hand — reach their target. Hell, he had already wasted a good thirty rounds with this nonsense.

80966: "Jawohl, Mein Herr."

75362: "Jawohl, mein Herr."

81121: I couldn't tell how long it took — maybe a moment, or perhaps an

81122: eternity — but before I knew it, I had found myself in an unfamiliar place.

75517: I couldn't tell how long it took — maybe a moment, or perhaps an eternity — but before I knew it, I had found myself in an unfamiliar place.

81187: "..."

75582: "...!"

81348: "Could it be that **your** tried to get me to surrender—"

75743: "Could it be that **you** tried to get me to surrender—"

81581: "Schmeisers?!"

75976: "Schmeissers?!"

81603: Comprehending the situation in an instant, Beatrice's mind regained its calmness. Compared to the barrage of **Schmeisers**, the onslaught of Panzerfausts was both slower and inferior in numbers.

75998: Comprehending the situation in an instant, Beatrice's mind regained its calmness. Compared to the barrage of **Schmeissers**, the onslaught of Panzerfausts was both slower and inferior in numbers.

81679: Wer meines Speeres Spitze **furchtet**, durchschreite das **feuer** nie!

76074: Wer meines Speeres Spitze **furchtet**, durchschreite das **Feuer** nie!

81848: "I could truly die! I could finally bring an end this eternal gauntlet!"

76243: "I could truly die! I could finally bring an end **to** this eternal gauntlet!"

82055: "Then..."

76450: "But then..."

82178: Her speed was now on a whole new level — apart from excelling in **term** of physical prowess, Beatrice managed to seal Eleonore's weapon on the mental level as well.

76573: Her speed was now on a whole new level — apart from excelling in **terms** of physical prowess, Beatrice managed to seal Eleonore's weapon on the mental level as well.

82193: Closing the distance between the two in less than the blink of an eye, she whirled past the side of the crimson knightess, her lightning-clad blade biting into shoulder.

76588: Closing the distance between the two in less than the blink of an eye, she whirled past the side of the crimson knightess, her lightning-clad blade biting into **her** shoulder.

82206: "After all—"

76601: "That's—"

82366: Not a single man loyal to the Reich must be allowed to survive — let them be consumed by the sacrificial flames!

76761: "Not a single man loyal to the Reich must be allowed to survive — let them be consumed by the sacrificial flames!"

82373: Beatrice and Eleonore were supposed to be different from them, and

82374: yet—

76768: Beatrice and Eleonore were supposed to be different from them, and yet—

82439: She posed her question in an almost jovial manner, smiling through tears. Eleonore considered Beatrice for **a** a long while before eventually letting out a sigh.

76833: She posed her question in an almost jovial manner, smiling through tears. Eleonore considered Beatrice for a long while before eventually letting out a sigh.

82456: Both her figure and its **surrounds** grew hazy like heat shimmer in the middle of a desert.

76850: Both her figure and its **surroundings** grew hazy like a heat shimmer in the middle of a desert.

82499: "...!"

76893: "...?!"

82524: Wißt ihr, wie das ward?

76918: "Wißt ihr, wie das ward?"

82527: Was the weapon of mass fiery **destruciton** no more than a tool outfitted for the battlefield? Then what in the world could
