

DEPARTMENT OF GENERAL MEDICINE
BIMONTHLY FORMATIVE AND SUMMATIVE ASSESSMENT of PG 2020, MD batch

This is a blended, bimonthly formative and summative assessment of the learning competencies of PG 2020, MD batch in the department of Medicine. The formative assessment is from each PG's logged competency around patients evaluated regularly from date of joining till date of current bimonthly summative assessment, which is from the assignment posted for 07/10/2020 here:

<https://medicinedepartment.blogspot.com/2020/09/medicine-paper-for-october-2020-first.html?m=1> and the assignment posted for 16/11/2020 here: <https://medicinedepartment.blogspot.com/2020/11/blended-learning-bimonthly-assignment.html?m=1>

The formative assessment has been divided into non-verbal which assesses their competency in procedural domains including empathic communication and body language and verbal which assesses their ability to communicate their work through their day to day E logs.
