BS: Early Childhood Education

Why I teach:

I teach because I find true enjoyment in building meaningful connections with children, and watching them learn and grow in their own unique ways. Their warm smiles, and sweet curiosity about the world make each day fulfilling.

Teaching since:

2008

About me:

I am excited to begin this new chapter as preschool teacher in Eastern Carver County Schools! I've spent the last 17 years teaching Early Childhood Education (ECFE) in Shakopee. While I have truly loved working with families in that role I am really looking forward to these new adventures with your preschooler! Outside of the classroom, I enjoy spending time outdoors with my family - biking, camping and playing games together. For my "me" time I enjoy reading, swimming and yoga. My husband Mark and I live in Shakopee with our three children: Sydney (15), Samantha (12) and Ryan (8). I am looking forward to getting to know you and your child, and making this a fun, safe, and meaningful year of preschool!

A few of my favorite things:

I love watching whatever sport my kids are playing! That means I get to enjoy a lot of softball, volleyball, figure skating, soccer and even ninja classes. Coffee is a daily must have - Starbucks is one of my favorite treats. As for guilty pleasures, I occasionally indulge in Dr. Pepper, peanut M&M's and Butterfingers! My favorite colors are green and purple. When it comes to food, I'm a big fan of Mexican dishes and all kinds of pasta!
