Amber Lens

Found in the Library.

Supply the Amber Lens to redirect the Light to reflect from the mirrors onto the gates to open the closed sections of the Library

Direct the light through the mirrors to the first gate mechanism.

1. Restore the Amber Lens

2. Rotate the Magic Mirror (the one where the light beam ENDS)
click the mirror, click YES to check the beam.

3. Click the Gate mechanism
click YES to check the beam
click the Gates again to access the next area.

TIP: Only mirrors where the LIGHT BEAM ENDS need to be rotated!

Optics Specialist

Will help with the light beam in the library. Restore the Broken Mirror here to extend the light beam to the next hidden area in the Library

Before we can ask for help for the Mirror we must travel through the first portal to find the Golden Page

Queen Vane: Book I

Travel through the first portal, the "End of an Era" to land of Queen Vain: Book 1

Events Fragments

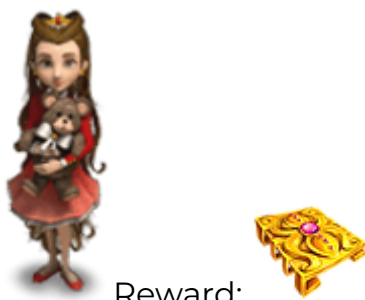

We need to restore all the Events Fragments to gain the Golden Page of the Book

Each fragment is restored with Storyteller Sets made at the Easel on each land

Once the Fragments are restored click the Young Queen to check the land and collect the reward.

Reward:

How to use mirrors

After completing the first Portal land return to the Library.

Find the Broken Mirror and click it to send it to storage (it may already be there)

Talk to the Optics Specialist - he will repair the mirror! BUT you need to complete each portal land first to find the Book Page

Return the Magic Mirror to its base (the place you found it)

Click the mirror to Rotate it and direct the light beam to the next Gate Mechanism

Repeat with each area of the library after completing each Portal Land. Check the light beam, find the mirror where the beam stops and rotate that mirror if necessary.

To rotate a mirror CLICK it - then click YES

Only mirrors where the Light Beam ENDS need to be rotated!

Queen Vane: Book 2

Travel through the second portal, the "Dark Temptation" to land of Queen Vain: Book 2

Events Fragments

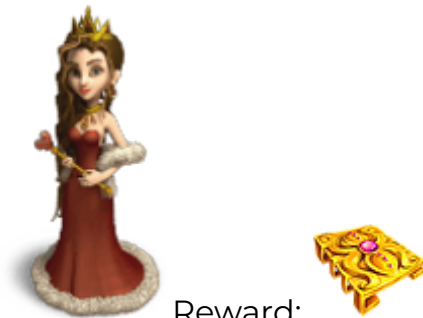

We need to restore all the Events Fragments to gain the Golden Page of the Book

Each fragment is restored with Storyteller Sets made at the Easel on each land

Once the Fragments are restored click the Young Queen to check the land and collect the reward.

Reward:

Queen Vane: Book 3

Travel through the third portal, the "Fairytale Leadlight" to land of Queen Vain: Book 3

Events Fragments

We need to restore all the Events Fragments to gain the Golden Page of the Book

Each fragment is restored with Storyteller Sets made at the Easel on each land

Once the Fragments are restored click the Young Queen to check the land and collect the reward.

House of Fairytales

Every fairytale has a home. So naturally you can go there for a visit. And paying visits without gifts is bad tone!

Reward:

500

1000

Set out to Forbidden Library

I never would've thought that fairytales live in a place like this... I have to get to the bottom of things here.

Knowledge is light!

There are libraries that place an oath of silence on you until you finish reading the book. Other libraries are invisible to people that don't like reading. And there's a Library with a very peculiar lighting system...

Reward:

700

1500

5

Restore the Amber Lens completely

Rotate the Magic Mirror to extend the beam of light

Redirect the beam of light to the Gates Mechanism to access Section A

Who could've thought that light could move these heavy gates. I wonder, can I employ it to clean the estate?

Manuscripts don't burn

Ink fades with time and memories of the past become less clear. Though there are events that will forever stay with you...

Reward:

900

2000

Set out to Queen Vain: Book I

Get some Magic Ink from the Text

Get some Magic Paint from Illustrations

It's great when things are going well, when luck is on your side. Like today, for example. But was it like that yesterday or a hundred years ago?

Magic is in the details

It's not enough to read just the plots, it's like reading only news headlines. You seem to be up to speed, but it won't do much when you need to have an actual conversation.

Reward:

1100			Paint some Events Fragments with Storyteller Sets
2500			Completely restore the events of the first book about Queen Vain and get the Golden Page
5			

It's time to get a Library card, because this story must continue! It just has to!

When can I read it?

The second book is currently checked out, please wait!' a voice boomed through the Library hall. But there's no one here except us... Maybe we can try looking for the second book by ourselves?

Reward:

			Find the Broken Mirror
1300			Ask the Optics Specialist to fix the Broken Mirror
3000			
8			Place the restored Magic Mirror back on the land

Why is the second book being hidden? Somebody is trying to cover something! But if you look for something hard enough, you will find it for sure. Or you will end up finding something else, but it might be useful too.

Not a fairytale

They say that sequels are always worse than the original thing. Let's check, maybe we were lucky.

Reward:

			Access Section B of the Forbidden Library
1500			Access Queen Vain: Book II
3500			
4			Restore the events of the second book about Queen Vain

We did it! We managed to defeat Queen Vain. It's great when a fairytale can have a happily ever after. I think we can go to the library now and then head for our estate...

Irresistible circumstances

Every fairytale has a home. So naturally you can go there for a visit. And paying visits without gifts is bad tone!

Reward:

1700

4000

2

Access Queen Vain: Book III

Restore the events of the third book about Queen Vain

Take the reward to your Estate

I never would've thought that fairytales live in a place like this... I have to get to the bottom of things here.

Untold epilogue

Wow, the editor's requirements for book length are wild! The authors often don't have a chance to say everything they want. Alas, there isn't anyone else left to write the afterword.

Reward:

2000

5000

3

Access Queen Vain: Apocrypha (enter the Dungeons)

Find some Fairytale Fragments

Restore the Fairytale Leadlight completely

Now that the last fairytale is behind me, I can look at the Fairytale Leadlight from a new side!
