1. LIT 1 (sessions 1 & 2) _____
2. LIT 2 (sessions 3 & 4) _____
3. Flexible- if one session fills we are open to either _____

The LIT program is designed to give campers leadership experience and opportunities to grow, with added responsibility that is different from the camper experience. The program is designed to be a 4-week program for leadership development through activities crafted for self development, learning and practicing facilitation skills, and teamwork. LITs will be expected to come to Camp Fuller with a positive attitude and ready to cooperate with others their age to put on an LIT weekend for all of camp, and plan cabinals (evening activity) for a group of campers. Because of this added responsibility we require our LITs to answer these few short essay style questions as an application to the program. Acceptance into the LIT program is not guaranteed, so please answer these questions honestly and to the best of your ability.

1. Why are you looking to be a part of the LIT program at Camp Fuller?
2. Name someone in your life who is a leader and what qualities are important in their leadership.

What happens after you apply?

After you submit your application, a member of Camp Fuller Staff will be in touch within a week (unless over holiday or specified otherwise). If your LIT is accepted they will sign-up your child with you over the phone. An application is needed for all LITs for acceptance into the program. All applications can be submitted to the Camp Fuller email at campfuller@gpymca.org and cc' the camp director Kaelei at khooper@gpymca.org. Any questions please reach out to us at Camp!
