

SL: Justine, Nothing Important (you can skip this 🙅)

Hey Justine,

Just went over your website. Cool stuff by the way. That's TONS of value for free, in there!

You know, I've gone over a lot of dating websites, and adding a well built landing page is something that really boosted their client count.

If you're interested, let me know...

I will send you a landing page that is solely made for YOUR website.

For FREE, of course... 😊

All The Best,

Andrew Rossark
Digital Marketing Strategist

Using the email list that you've built with your landing page, you can then massively increase your conversions, as you can leverage the list for email marketing campaigns and much more...

one of the things that really increased their client count was to include a well built Landing Page.

I have an idea for a Landing Page that will perfectly fit your website. If you're interested, let me know with a reply.
