

# Meetings Agenda 2025 and main topics

## Meetings in google agenda (for members) and on [wiki](#)

- Meetings organized monthly
- Main Topic announced in advance so members can plan
- If you have a topic linked to your work, try to be present at the related session
- Planning can still be adapted if needed
- Monthly meetings will be recorded in order to allow asynchronous work
- Other topics can be discussed during the meetings of course!
- Extra time will be used for social media communications and organization of resources
- Please send topics, and speaker suggestions or any questions you might have to the chairs
