

Aftermath Interviews

Watch the video to help with an understanding of how the survivors felt after the Titanic disaster. There are a list of questions below, you will need to answer each question in detail as a survivor from the Titanic. You are able to pick who your survivor is but need to write from their perspective. You will need to describe your survivor before you answer the questions.

Survivor description:

Question	Answer
How old were you when you were on the Titanic?	
What was the purpose for your trip on the Titanic?	
Describe what cabin was like aboard the Titanic:	
Who were you on the Titanic with?	
Describe what happened when you felt the ship hit the iceberg:	
How did you get to the lifeboat?	
What were you thinking and feeling as the lifeboat was being lowered into the sea?	
What impact has this had on your life since being saved from the Titanic?
