ORNAMENT GUIDELINES 2022

Instructions

Make an ornament that represents your organization. Your organization is responsible for supplying all materials for your ornament EXCEPT for the heavy-duty tree hanger, which we will attach after your drop off your ornament. Your ornament must be weatherproof, durable, and be able to last on the outdoor tree for a maximum of 6 weeks. Be creative and have fun!

Size

The completed ornament must be at **least 12 inches but not larger than 18 inches** in any direction.

Weight

The completed ornament must weigh less than 1 pound.

Place for a Hook

In order for your ornament to be hung on the community tree, please create a hole in your ornament placed ½ inch from the top border of your ornament. We will provide and apply a heavy-duty hook at the time of hanging your ornament on the tree.

Other Considerations

Wording and images on the ornament must be family friendly. The Mountain House Community Services District reserves the right to refuse the inclusion of any ornament for the community tree not adhering to these guidelines.

Photo of Your Ornament

Once your ornament is complete, please take a photo of your ornament and email it to vwatts@sigov.org by Monday, November 28 at 5:00 pm. The photos of the ornaments will be posted on the Community Services District website.

Deadline for submission

The deadline for turning in your ornament is Monday, November 28, 2022 at 5:00 pm.

All completed ornaments must be dropped off at the reception desk at the Mountain House Community Services District Office at 251 E. Main Street during business hours.
