

Subject: Partner with a copywriter

Dear, Urikar!

I hope you're having a great day. I am sending you a message because I want to help the company. How? Well I see that the company is already collecting customers' email addresses. And that is very good, but those emails that you're sending your customers don't make them go buy the product. So there I step in to help. How?

Well I am a copywriter and my job is to make a lot of money for a company by sending emails that make their customers want to buy their product.

I see a lot of things I can do to help Urikar.
So I would love to work with the company.

It would be great if I can get a response as fast as possible.

I wish good luck to the company.
