

Class of 2028 Rising Freshman Scheduling Meetings- Information and Links

The Lenape Valley Guidance Department will hold high school scheduling meetings for current 8th Graders according to the below directions. Prior to the scheduling meeting, parents and students will complete the registration and scheduling process in your Lenape Valley High School Genesis Parent Portal account. In Lenape Valley High School Genesis Parent Portal, students and parents will indicate a minimum of ten electives, as well as provide and confirm personal information. Academic courses are scheduled according to teacher recommendations. Parents will have the opportunity to discuss their child's recommended academic courses during the meeting. Kindly contact guidance@lvhs.org if you have any difficulty setting up the Lenape Valley High School Genesis Parent Portal account and selecting electives in advance of the meeting date.

An appointment has been scheduled by the middle school guidance counselor at a date and time that is most convenient for your child to attend. Your child will attend a regular school day and will be called down by the middle school guidance counselor when it is his/her scheduled appointment time. High school guidance counselors will attend these virtual meetings from their own offices. Parents are invited to also log into these virtual meetings using the Google Meet join codes provided below, but are not required to attend. If for any reason, your child is absent from school on the day of their scheduling meeting, students are still invited to sign into the meeting remotely using the same meeting information and link that was provided to the parent. Please reach out directly to the middle school counselor with any questions or concerns about your scheduled meeting.

These meetings are by APPOINTMENT ONLY. Please do not join a meeting if you do not have an appointment. The host of the meeting, the Lenape Valley Counselor, will let you into the virtual meeting at your scheduled time based upon the email address used to access the meeting. We kindly remind parents to join the meeting using whatever email address is on file with the middle school. This is our security feature to ensure that only appropriate individuals are admitted to the meetings.
