

Dear NCUC members,

Our NCUC Representatives in NCSG Policy Committee, Farell Folly and Claudio Lucena have served during the 2017-2018 term.

Now is the time for NCUC to appoint again its two representatives at the NCSG PC. That can be done either by reappointing the two previous representatives if they wish to, or selecting new candidates.

Therefore, this is a call for Expressions of Interest for NCUC members to apply for this position for the 2018-2019 Term, starting after December 2018.

Call for Expressions of Interest - NCSG POLICY COMMITTEE

The NCSG Policy Committee, as indicated by the [NCSG Charter](#), is responsible for (a) discussing and developing substantive policies and statements issued on behalf of NCSG, (b) organize Policy initiatives on behalf of NCSG Membership, (c) provide policy research and guidance to NCSG representatives on the GNSO Council, (d) keep membership informed of GNSO Council activities, (e) Organize, appoint where appropriate, and track NCSG participation in GNSO and other pertinent Working Groups, (f) Organization and oversight of NCSG participation in any GNSO Council-related tasks, whether mandated by Bylaws, Council Procedures or Council decisions, (h) Document methods and procedures used for decision making. Such documentation is subject to review by the NCSG-EC.

Eligibility:

- (a) The person should have substantial knowledge about NCSG, its mission and values, as well as NCUC.
- (b) The person should have weekly availability to dedicate to NCSG-PC dedicated mailing list, join teleconferences, as well as help with Policy Comments and positions when needed;
- (c) The person should be willing to work in a large, consensus-oriented committee;
- (d) The person should be involved with NCSG policy work and willing to collaborate with the Policy Committee Chair;

As you gather from the criteria above, it is very important that the applicants for this position be active members of NCUC, involved with ICANN and its various working groups and show proven interest in NCUC work and understand the dynamics of ICANN and groups existing within ICANN.

In case you are interested in the position write a statement of interest indicating how you fulfill the criteria mentioned in ICANN bylaws and tell us about your experience at NCUC and submit to me chair@ncuc.org and cc maryam.bakoshi@icann.org by 10 December 2018.

Announcement will be before 15 December 2018.
