

Trompe L'oeil Activity

Trompe l'oeil, French for "trick the eye" is a style of painting that has roots in the Italian Renaissance. More than 500 years ago, artists were creating the illusion of spaces behind walls and above ceilings.

One of the most famous of these is Raphael's ***School of Athens***, a masterpiece located inside the Vatican.

-To learn more about Raphael and ***The School of Athens***, watch this video:
