

Motion #1: Proposal to add the following text to the policy in order to allow the Board to permanently ban an individual from participating in OWASP.

A revoked member who has not shown full compliance with the OWASP Code of Ethics during the period of revocation may, at the discretion of the OWASP Board of Directors, have the revocation period extended indefinitely.

Motion #2: Proposal to remove the current text of "A revoked member IS permitted to attend OWASP meetings as they are open and free by design." and replace it with the following text in order to allow chapter leaders to disallow those who would cause problems at their meeting.

A revoked member who has not shown full compliance with the OWASP Code of Ethics during the period of revocation may, at the discretion of the Chapter Leader(s), be asked not to attend their Chapter events.

Motion #3: Proposal to add the following text to the policy in order to allow mailing list owners to moderate or reject communications from those causing problems on the list(s).

A revoked member may, at the discretion of the list owner(s), have their mailing list communications moderated or rejected without warning.
