Greater Susquehanna Valley Chamber of Commerce

The Greater Susquehanna Valley Chamber of Commerce advances the prosperity of its communities, commerce, culture, fellow citizens, and their businesses in its region through the leadership of its members.

The Chamber engages its members to serve as an engine of growth that drives the region's jobs, businesses and opportunities through economic development, collaborative partnering, strategic technology, and resource training.

Lewisburg Neighborhoods

Lewisburg Neighborhoods exists to promote cooperative efforts between neighborhood residents, the university community and Lewisburg Borough to improve civic engagement, safety, communications, image, streetscapes, and historic preservation even as we balance environmental and economic issues.

Our priority areas are the Bull Run Greenway, the Flood Impact Task Force, Walk It! Bike It! Lewisburg, the River Town Team, and Green Team.

Resources:

- Visit [the Lewisburg Neighborhoods website](#)
- Join [the Lewisburg Neighborhoods email list](#) for regular updates
- Tune into [the Radio Free Lewisburg podcast](#).

Pennsylvania Organization for Watersheds and Rivers (POWR)

POWR is committed to empowering citizen champions and uniting people and communities to protect, restore, and explore, and enjoy recreational opportunities along Pennsylvania's rivers, creeks, streams and wetlands.

POWR provides educational opportunities to the leaders and volunteers of community watershed organizations at regional workshops, statewide conferences, and webinars.

POWR also provides mini-grants for river sojourns and coordinates a general liability insurance program for our watershed organization network.

Resources:

- For more information about all of these, [please visit our website](#)

SEDA-COG's Flood Resiliency Program

Flooding impacts our region, often with increasing severity. Skyrocketing flood insurance rates can be unaffordable for many. We've designed this Flood Resiliency program to help ease this stress on communities and find solutions.

Our goal is to help break the damage cycle and stop its drain on people and communities.

Resources:

- SEDA-COG's Flood Resiliency Program offers services related to flood resiliency and mitigation assistance both within and outside of its 11-county region
- [Visit the Flood Resiliency Program website](#)

Contact:

- Teri Provost, Director, SEDA-COG Flood Resiliency: tprovost@seda-cog.org

- Geralee Zeigler, Project Coordinator, SEDA-COG Flood Resiliency: gslotterback@seda-cog.org

Stories on Tap

To become resilient as a community, we need to understand one another and feel like we belong. Sharing stories -- and listening to each other's stories -- helps us get there. We partner with non-profits, galleries, bars, universities, and venues to bring audiences meaningful storytelling events. Due to the pandemic, our events are currently digital.

Resources:

- We've all been through a lot this year. Stories on Tap is collecting stories from the Central Pennsylvania community to share on the podcast Radio Free Lewisburg throughout spring, the 1-year anniversary of Pennsylvania shutting down for the first time. [Listen to the stories here](#)
- If you'd like to share your story, it's not too late. Contact Stories on Tap at their website [here](#).
- Follow Stories on Tap on [Facebook](#) and [Instagram](#)

Susquehanna Valley Mediation

Susquehanna Valley Mediation (SVM) has been supporting constructive responses to conflict in the Susquehanna Valley since 2010.

Resources:

- SVM offers community members Family Mediation, Neighbor Mediation, Workplace Mediation, Prison Re-entry Mediation, Eviction Prevention Mediation, Crisis Meeting Facilitation, and Community Dialogue Facilitation
- To find out more, visit svmediation.org or call our office 570-374-1718
