

Carry-on Items

A student who pays a fee for transportation and whose riding privileges are suspended because of violation of these rules will not receive a fee refund.

STUDENTS WHO RIDE A SCHOOL BUS ARE EXPECTED TO BE FAMILIAR WITH THE FOLLOWING:

School Bus Carry-On Items: The interior of the bus must be free of objects that can cause injury. Objects must be secured, and the aisles, foot wells, and emergency exits must be kept open and free of blockage. The following must be adhered to at all times:

- Carry on items must be carried/held in a student's lap. Small items less than 10 inches in width and height may be placed under the student's seat on the floor.
- Items are not to be placed in the aisles, or at the student's feet in the foot wells, as they block ready exit (*exception- see Sports Equipment chart below).
- Items are not to be placed in empty seats as they can become projectiles upon impact or abrupt emergency stops.
