All Regionals are double elimination. All Regionals must be played (even if there are only 2 teams in a Regional) as they effect the bracketing at the State Tournament and also Regional Champions will receive a plaque. Regional Tournament play format must follow the brackets in the Wisconsin American Legion Softball Handbook. As a reminder, Regionals must be played on consecutive days (if needed) between the dates of 7/20/26 and 7/26/26. Please update Legion Headquarters with your results from your Regional Tournament as they are available. Regional Tournament formats are listed below. All Regionals must follow the formats below. Further information in regards to the State Tournament will be sent from Tournament Host, Merrill. As a reminder, the State Tournament will be held Friday, July 31 2026, thru Sunday, August 2 2026. Be sure to have your Form 2's on you at all times during regular and post season play! If you have not submitted your roster yet, you must do that asap! Reminder, Regional Hosts should work with opposing teams when setting up their Regionals. Most if not all Regionals should be played Monday, 7/20/26 and Tuesday, 7/21/26 if need be. Regional hosts when you have your brackets/game times set up, please email all participating teams in the regional as well as myself and Legion Headquarters. Those email addresses are:

Derrickstandke@gmail.com and Julie.muhle@wilegion.org

When reporting scores you can email them to myself at the same email address or you can text me the scores at 920-979-7579. We will update the results on wilegion.org as soon as possible.
