Week Four Wrap-Up

VETERANS DAY, NOV 11

In war and in peace, what veterans have done in America's name is

woven into the fabric of the American story. Veterans Day honors all of those who have served the country in war or peace- dead or alive- but especially gives thanks to living veterans who served their country honorably during war or peacetime.

Veterans, QCVA honors and thanks you for your service.

We thank you, Mr. Dillman!

QCVA Academic Incentives (Exemption & Extra Credit)

There are academic incentives: you can be exempted from the cumulative exam or you can get 10% added to your cumulative exam score. This document outlines how the incentive is earned. Please note that:

- Extra credit can only be earned in current core courses (Math, Social Studies, Science, Language Arts). Elective courses are not included in this incentive.
- To earn extra credit in 3 core courses, a student must attend 15 live sessions (5 for each course). A record will be kept by the facilitators.
- Partial extra credit cannot be earned. It is all or none, attending fewer than 5 live sessions per course does not qualify for extra credit.
- In order to be eligible for these incentives, you must turn in your timesheets each week with at least 1500 minutes logged.

TIMESHEET RAFFLE!

Submit your timesheets on time every Sunday. FIVE lucky students who meet the 1500 minutes requirement will be drawn weekly to receive a Cool Coupon from Jeremiah's Italian Ice. [Congratulations to our November 5 winners!](#)

Several timesheets were chosen but did not have the minimum 1500 minutes. ***Be sure your timesheet logs at least 1500 minutes.***
