Help CPMA 8th Graders Experience the 2025 East Coast Colonial History Tour!

Dear Friends, Family, and Community Supporters,

We are thrilled to share an incredible opportunity for the 8th-grade students of Creative Performing Media Arts (CPMA) Middle School! This spring, our students have the chance to embark on a life-changing journey through history: the 2025 East Coast Colonial History Tour.

This 7-day, 6-night educational adventure will take students to iconic cities such as Boston, New York, Philadelphia, and Washington, D.C., where they will walk in the footsteps of our nation's founders. From exploring Independence Hall to standing where historical decisions shaped our future, this trip brings their classroom lessons to life in ways that will inspire, educate, and empower them.

Why This Trip Matters

This isn't just a trip; it's a rite of passage. As our students prepare to transition from middle school to high school, this journey offers:

- **Personal Growth:** Experiencing independence, teamwork, and cultural awareness.
- **Educational Enrichment:** Deepening their understanding of U.S. history through hands-on learning experiences.
- **Lasting Memories:** Celebrating their promotion year with peers and creating memories to treasure for a lifetime.

Organized by World Expeditions Educational Travel Service, the tour is fully chaperoned by CPMA teachers, ensuring a safe and enriching environment. With at least one adult for every nine students, we prioritize both safety and personalized attention.

How You Can Help

To make this dream a reality, we need your support. ***The total cost per student is \$3,248, with final payments due by April 25, 2025.*** While many families are working diligently to fund their child's participation, some could use a helping hand to close the gap. Your contribution can make all the difference in ensuring no student is left behind.

Here's how you can help:

- **Donate:** Every dollar brings a student closer to this once-in-a-lifetime experience.
- **Spread the Word:** Share our campaign with friends, family, and community members who value educational opportunities.
- **Sponsor a Student:** Consider fully or partially sponsoring a student's trip.

To donate, please visit our personal GoFundMe page: ***[Insert YOUR PERSONAL Link here]***. Your generosity will directly impact the lives of these young learners, helping them gain a deeper appreciation for history and a broader perspective on the world.

Thank You for Your Support

We are incredibly grateful for your kindness and belief in the power of education. Together, we can provide CPMA 8th graders with an unforgettable journey that will inspire them as they step into their futures.

Thank you for being part of this exciting chapter in their lives.

With heartfelt gratitude,
