

PROJECT "FAIR PLAY 4 INCLUSION"

HIKING

On Saturday 4th September, **ENTREJUEGOS** organized a new hiking route, this time to the neighboring town of Badolatosa (Seville), belonging as Alameda to the "Route of the Lands of José María El Tempranillo".

After a journey of 14km by car, we arrived at the entrance of this route that passed between olive and pine trees until the viewpoint of the meander of the Genil, one of the most important affluents of the Guadalquivir River.

From this viewpoint that is located in the Malpasillo Reservoir Natural Site you can see wonderful views of the landscape of our region, in an atmosphere that transmits peace and tranquility, a place to sit and enjoy the passage of time on the river Genil.

In 2 hours of route, 5 young people enjoyed this sport activity in the nature, discovering new places of our environment and promoting a healthy lifestyle.
