Naperville North High School Names Dena Shumate as First Head Coach of Girls Flag Football

Naperville North High School is excited to announce Dena Shumate as the inaugural Head Coach of the Girls Flag Football Program. A longtime Physical Education teacher at Naperville North, Shumate brings over 30 years of experience in sports, education, and coaching.

Shumate has coached multiple sports, including volleyball, basketball, softball, and track. Most recently, she played a key role in launching the Naperville North Girls Flag Football clinics, where she helped introduce the sport to student-athletes. Her passion for the game, attention to detail, and commitment to player development make her the ideal leader to build this program.

“We are excited to have Coach Shumate lead this program,” said Jon Pereiro, Athletic Director. “Her dedication to our student-athletes and her vision for the program will help create a strong foundation for Girls Flag Football at Naperville North.”

As the sport continues to grow, Naperville Community Unit School District 203 and Naperville North are proud to offer this additional opportunity for student-athletes to compete and excel.
