

Water Quality Lab Report

- **Before you begin writing,** make a copy of this document and rename it this way: “Water Quality Lab Report - First and Last Name.”
- Share your document with me, allow editing, UNCHECK “notify people via email,” and fill out the Submission Link to share your link with me.
- **After you copy, share, and submit your Lab Report:** Write your lab report in complete sentences and use paragraphs to organize your ideas. Use your lab handout guide and the Water Quality lab report questions to help you as you write your lab report.
- Proofread your work carefully! Check for misspelled words, fragments, and clearly written sentences.
- Delete these instructions once you have finished your lab report.
