

Dear Parents, Guardians and Students of Class of 2027:

Welcome to your Senior Year Class of 2027! Senior year is the culmination of the goals that you established when you first entered Clarkstown High School South. The staff at Clarkstown High School South is committed to assisting all of you in achieving your academic goals in preparation for graduation.

On the first day of school, September 3rd, seniors are invited to participate in a Senior Sunrise event at 6:30 a.m. to commemorate their last first day of school. Students will assemble on the field and in the stadium until 7:20 a.m. At that time, all seniors will meet in the auditorium for a brief meeting to review South's safety plan and any updates since last school year. Students will be released to their first class of the day after the presentation.

One important update this year is senior parking. All seniors may park in the front of the school closest to the stadium. If seniors need additional parking, they may park in the lower lot near the security booth. All students who choose to park on campus need to complete this [PARKING FORM](#).

Another important update concerns late arrivals or early dismissals. This year, all seniors will be granted a late arrival and/or early dismissal if they have a study hall during the first or sixth period of the day, respectively. If you do not wish for your child to have this privilege and would prefer they remain in a study hall, please complete [THIS FORM](#).

The yearbook advisor asked that I share important information with all of you concerning yearbook information and submissions. Please see this information in bold and highlighted below:

“There will be a number of opportunities to submit pictures and other information for the yearbook using Google Classroom. Seniors should join the Class of 2027 Google Classroom and look for assignments/announcements posted regarding the yearbook and other Senior related events. The Google Classroom Code is: pyhhgh64

The due dates on Google Classroom are FINAL deadlines so please be sure to pay close attention to what is posted!”

I look forward to greeting all of you at the Senior Meeting on your last first day of school on September 3rd in the auditorium at 7:25 a.m. where we can set a positive tone for the rest of the year.

Sincerely,

Mrs. Tarantino, Principal
