Project Utopia

Directions: Students work in groups (max 3 people) to create a pamphlet encouraging people to come visit or join their utopian community.

Step 1: Brainstorm Individually

Note-taking: As you learn about different communities from the materials the teacher presents along with what you learn about Jonas' community in *The Giver*, take notes on ideas for what would help make your community a utopia:

Step 2: Group Ideas

Discuss and Decide: Work with your group to take all your individual ideas and reach a consensus. Make final decisions for your community below with information on each of the required topics:

Community name: _____ Size of community: _____

Location, physical description, weather:

Roles and responsibilities of community members	
Education and religion	
Government type and structure	
Laws and punishment	
Delivery of goods and services	
Other Info:	

Step 3: Draft

Plan: Create a sketch of your pamphlet. There are 6 parts to a pamphlet. Decide who is doing which parts of the pamphlet. How will you make it visually appealing? List each group member's contributions on your draft.
