### Project Utopia

*Directions:* Students work in groups (max 3 people) to create a pamphlet encouraging people to come visit or join their utopian community.

#### **Step 1: Brainstorm Individually**

**Note-taking:** As you learn about different communities from the materials the teacher presents along with what you learn about Jonas' community in *The Giver*, take notes on ideas for what would help make your community a utopia:

## Step 2: Group Ideas

**Discuss and Decide:** Work with your group to take all your individual ideas and reach a consensus. Make final decisions for your community below with information on each of the required topics:

Community name: \_\_\_\_\_ Size of community: \_\_\_\_\_

Location, physical description, weather:

<b>Roles and responsibilities of community members</b>	
<b>Education and religion</b>	
<b>Government type and structure</b>	
<b>Laws and punishment</b>	
<b>Delivery of goods and services</b>	
<b>Other Info:</b>	

**Step 3: Draft**

**Plan:** Create a sketch of your pamphlet. There are 6 parts to a pamphlet. Decide who is doing which parts of the pamphlet. How will you make it visually appealing? List each group member's contributions on your draft.

<p style="text-align: center;"><b>Inside Left</b></p>	<p style="text-align: center;"><b>Inside Center</b></p>	<p style="text-align: center;"><b>Inside Right</b></p>
