Adkins, Kinaree	1. A semicolon can replace a conjunction or a comma. 2. The two halves can stand alone. 3. There can be 2 independent clauses. 4. The information from the 2 halves have to be linked. 5. Conjunctive Adverb The world is going to end; no one seems to be too bothered about it. People are loading up on as much supplies as possible; however, I don't see why it matters considering the world is going to end. The main character stands out to me; she is taking all of these possibilities in with a very calm demeanor. Scientists should know when the moon will hit the earth; however, it is taking them longer than expected. An asteroid hit the moon; hence, causing problems down on earth. The moon will hit the earth.	3 missing tools
Bengco, Jose	• A compound sentence can be split into two individual clauses. • A compound sentence is connected with a comma conjunction or a semicolon. • The two halves of a compound sentence must be related. • A semicolon can replace the comma conjunction. • A conjunctive adverb can join the compound sentences. • Proud and fearless, Benedict Arnold walked straight into Fort Ti. During the battle, Arnold and his men leaped onto the British brigade "Liberty", and blasted and fired cannon balls into the British ranks. Years later Benedict Arnold, greedy and power hungry, became desperate; furthermore, was accused of assisting the enemy soldiers. Arnold had a very brash personality in the beginning, however; over the course of the story his actions and thoughts changed drastically. Through history Benedict Arnold although defected to the British, but the American's still won the American Revolution. As a arrogant and self centered leader, he made a big impact in the revolution.	look how to punctuate conjunctive adverbs compound sentence error 2
Luigi Brown, Harrison	At the moment, Hazel is battling cancer. She had a near death experience, but she defeated the odds and survived. She tries to live a normal life, however, it is difficult. Hazel has to visit church on a weekly basis, complaining, she tries to convince her mother to let her quit. Everyone who meets at the church has cancer, in addition, they believe Jesus is in their heart. One child will soon have a surgery to his eyes, hopeless, all he wants is to have his eyesight.	rules? look how to punctuate conjunctive adverbs 2
Bryan, Maya	- The two halves can be individual sentences	4 Bravo!

	- A comma and conjunction (FANBOYS) can be used to connect the two halves (independent clauses). - The information in the two halves (independent clauses) must be linked in some way. - You can use a semicolon to replace the comma and conjunction. - You can use a conjunctive adverb to connect the two halves (independent clauses). The old man was always looked down upon by other fishermen. He had not caught a fish in a very long time; therefore, the men, mean and rash, teased him in local bars and restaurants. Impacting his judgement, his pride had forced him to go out in the ocean, to places with very little fish. Paddling quickly, he tried to catch a tuna, but the tuna got away. One day, the old man finally got a fish connected to his fishing rod; in addition, he managed to pull it onto his boat. Self esteem rising, he was ecstatic that he had caught the fish, but he didn't catch anymore fish that day.	
Ching, Jodi	1. In a compound sentence there must be 2 independent clauses 2. The compound sentences must be connected in some way 3. The compound sentences can be connected by a comma conjunction 4. The comma conjunction can be replaced with a semicolon 5. The compound sentence can be connected with a semicolon and then a conjunctive adverb In the book, Life As We Knew It, Miranda faces the issue of her parents being divorced. Miranda disliked the situation she was in; however, she still tried to stay positive. As if that wasn't enough, she had to also face the obstacle of having to attend one of her best friend, Becky's, funeral. Sadly, After that experience, she had noticed the change of her two best friends, yet she had still stayed her same old self. Sammi, one of her best friends, had gotten her a date to the school prom, yet Miranda herself hadn't got a date; consequently, she was jealous.	3
Goh, Joshua	• Two halves can stand alone as a sentence • Information of two halves must be linked in some way • The two halves are interrupted by a comma then conjunction • The comma and conjunction can be replaced by a semicolon • The comma and conjunctive adverb can join the compound sentence Saddened and misguided, Jack is troubled with family affairs. Aggravated, Jack has lost his mother from death and is losing his father from the lack of communication. Jack is consistently	3

	avoided from his father, and Jack's father has enrolled him to a boarding school in Maine. Orphaned, Jack is stranded all by himself, but Early, a gentle boy, has been tasked to help Jack. While at the boarding school, Jack is creating a strong relationship with Early, however his relationship with his father is going nowhere. Forgetting about his Father, Jack and Early decide to go on an adventure, consequently Jack and Early find themselves lost covered by mountains and trees. I cannot score you 4 on here because you are using the same word to start almost every sentence. (Jack) Fluency is about varying the length and composition of sentences.	
Gwee, Gabrielle	• two halves can stand alone as two individual sentences • two halves are joined by a comma and conjunction • information in two halves must be linked in some way • a semicolon can be replace a comma or conjunction • a conjunctive adverb can be joined into a independent clauses Popular by Maya Van Wagenen shows her thoughts on what middle school is like. Maya, sad and afraid, is shown how she is at the very bottom; unless, she goes through a change to get to the top. Maya explains how there is a ranking at her school, yet she is near the very bottom. She has a best friend called Kenzie; however, she is two positions higher than Maya. In this story Maya, scared and unrecognized, goes through a big change to become popular. Kenzie, confident and self-possessed, is Maya's best friend, and a big library nerd.	3 one error but you are using the same type of tools
Jalal-Krueger, Mark	1. The two independent clauses can be connected with a comma and a conjunction 2. The two independent clauses have to be linked in some way 3. A semicolon can replace a comma and a conjunction 4. The two independent clauses can stand alone. 5. Conjunctive adverbs has to have a semicolon in front of it Steve Sheinkin teaches readers in Lincoln's Grave robbers that everything is connected. Ben Boyd was captured by the secret service; consequently Big Jim's business had no counterfeit money. The secret service's job is to counter counterfeiters, so the people of the US want real money that has value instead of fake. Patrick Tyrell's job is to rid counterfeiters from the mid west. Big Jim has an genius plan to get Ben Boyd back;therefore, the secret service has to foil the plan. Every single move the secret service makes has to be cautious, but Tyrell needs information from a roper.	3 not enough tools for the 4
Knighton, Addison	1. Information in 2 halves of a sentence must be linked in some way. 2. A semicolon can replace a comma and conjunctive adverb. 3. 2 halves of a sentence can stand alone as individual sentences. 4. 2 halves must be linked by a comma and conjunctive	4 nicely done!

	adverb. 5. Must have 2 clauses. I am reading the book Kobe, by Joe Layden. It is a great story. Kobe, a young athlete, will make his journey to the NBA, and he will become a star. His father, Joe Bryant, was an NBA player, but he was not as skilled. He was drafted by the L.A. Lakers, a respectable basketball team; likewise, he spent his whole career with them. Kobe has made a name for himself in the NBA; consequently, he will be remembered as one of the greatest to ever play.	
Koopmans, Sven Bernardus		3 - grammar is correct, but all the sentences start with a name. This is not fluent.
Li, Jada	Abs	
Liew, Shan-Roy	5 rules of compound sentences: ❖ 2 halves can stand alone ❖ Halves are linked together in some way ❖ 2 halves are linked by a comma and conjunction ❖ A semicolon can replace the comma/conjunction ❖ Each half needs a subject/predicate Example paragraph of sentences different sentence types: Asha has an aha moment when she realizes the hideous people is her brother. I can infer that Theon's physical features were very different, stinking and dirty. Victarion is very desperate to successfully complete his task and he wants to show his brother that he is a "real man." Meanwhile in the North, Stannis is hard time in a winter landscape, bleak and freezing and his soldiers are questioning his capability to take Winterfell despite the storms, ravaging and deadly. At Slaver's Bay, Barristan the Bold is in a disposition after the disappearance of the queen; similarly, Stannis is also in a disposition from the bad weather, inhabitable and bleak. Meanwhile, Arya is trying to become a faceless man; but, the priest does not approve of her and will not accept her.	3 look at your errors. Big progress here!
Lim, Kimberly	Rules of a compound sentence 1. There has to be two independent clauses 2. The two independant clauses should be linked in some way 3. To separate the two independent clauses, you must add comma, conjunction 4. You can also separate two independent clauses by replacing the comma, conjunction with a semicolon 5. You can also use the IC; CA, IC to separate the two independant clauses. Independent clause; Conjunctive Adverb, Independent	3

	clause . Cassie wasn't from the name Cassidy or Cassandra. Cassie is my nickname from the name Cassipoea. She was named after a constellation her dad thought fitted her best, and Cassie loved her name. Unfortunately, her name was the only thing left she could remember her father by, because now she is all alone. Now frightened and alone, Cassie hides under the dark shadow of her car; in contrast, of the bright red blood that's gashing on her knee. All she could do was wait her bullet hole to stop bleeding; furthermore, she waits for something miraculous to happen. this last sentence – ideas are not related enough for compound	
Lim, Zi Hui	- Two halves can stand alone as independent clauses. - Two halves have to be linked in some way. - A semicolon can be replaced by a comma. - Two halves can be connected by a comma and a conjunction. - A conjunctive adverb can be used after a semicolon to link two halves. Mary was born in 1998. Her sister, Amber, was born in 2002. Young and spirited, Mary loved to play soccer in the backyard, but Amber despised the sport. Instead, she spent her time inside singing, and she knew that Mary, hateful and envious, couldn't stand listening to her voice. At 3 o'clock sharp, Mary, oblivious and distracted, was kicking her soccer ball around; however, she didn't know that her sister had the great idea to pour a bucket of water on her head from the glass window. Cunning and determined, Amber sprinted to the bathroom to get water; unfortunately, the water was clogged.	4 avoid using the same type of tool too often!
Luedeke, Christopher	- A semicolon can replace and comma - Two halves may stand alone - FANBOYS can connect two halves - two independent clause must be linked in some way - a conjunctive adverb can connect two halves Men tried to steal Lincoln's body. Boyd and Tyrell were fighting against each other for Lincoln's body. They fought long and hard. They did not succeed. However the plan was spoiled when one of the coney men told the police about the plan. Both the coney men and the police had good plans. The police had better timing and tools to win. Palar, Nadia	Check in Assessment: Clauses must be able to stand alone	4

	2. Clauses have to be connected by something—FANBOYS (for, and, not, but, or, yet, so) 3. Clauses are connected by a comma and conjunction. 4. Comma and conjunction can be replaced by a semicolon (;). 5. Comma and conjunction can also be replaced by a semicolon and conjunctive adverb. The book <i>The Fifth Wave</i> by Rick Yancey is a literal masterpiece. Thrilling and riveting, the <i>Fifth Wave</i> explores the idea of aliens seeking to eradicate humanity through a girl named Cassie, and it also teaches readers that survival is impossible without hope. The aliens, which Cassie calls the Others, created waves of mass destruction in an attempt to abolish humanity; for example, the first wave was a series electromagnetic waves that rendered the majority of electronic devices useless. Foolishly enough, hardly anyone prepared or readied themselves for any future attacks; consequently, due to the lack of readiness, the second number made the death toll of the first wave, half a million, look small. From there, the situation only got worse. In a game described by Cassie as an ‘either/or’ situation, humans worldwide are forced to go against their morals in order to survive; Cassie later says ‘Want to rid the Earth of humans? Rid the humans of their humanity.’	
Abigail	An independent clause and a dependant clause are put together. x If a dependant clause comes first put a comma after it Use conjunctive adverbs x Infront of the conjunctive adverb put semicolon after it put a comma yes if the dependant and independent clause are separated by a comma and a conjunction x The woman in the story is scared to go outside, so she is always inside she was the only one that could go outside; consequently, she had all the chores. The little girl grew up with her mother, but without her father The little girl never knew her father, and her mother had a mental problem.	you need to study the rules still 1 look at some of the other examples of 4s. you are welcome to try again to improve your grade.
Zemans, Oliver	#1 The two halves must be able to stand alone as individual sentences. #2 The information must be related and similar in the two halves. #3 The two halves must be connected by a comma and conjunction (FANBOYS) #4 The comma and conjunction can be replaced by a semicolon.	4 – you’re starting to learn a little grammar!

	#5 A semicolon and conjunctive adverb can replace as the connecting part. PARAGRAPH: Benedict Arnold, power driven and mean, loved control, hence; he joins the British army to get more power. The Revolutionary War spanned from 1775 to 1783. Not surprisingly, Arnold enjoyed killing people, and he embarked on reckless journeys to murder humans. Andre is a careful and loyal soldier that is devoted to his country, ergo; he wasn't like Benedict and didn't become a traitor. Benedict Arnold was a traitor, un-loyal and stupid, yet he still had some feelings in the bottom of his heart for America. Peggy, beautiful and young, married Benedict Arnold.	
Zimmermann, Michelle	5 Rules of Compound Sentences • The two parts of the compound sentences have to be related • There are two parts of the compound sentence which can both stand alone as independent clauses • The independent clauses are connected with a comma and a conjunction • The independent clauses can also be connected with a semicolon • Another way is to connect the independent clauses with a semicolon, conjunctive adverb, and a comma Malencia Vale grew up in the Five Lakes Colony. As the daughter of an agriculturalist, she leads a simple life. But Malencia is chosen for the Testing; her whole life is turned upside down. Afterwards, she is stuck in a world of fighting, killing; however, Malencia is determined to get into the University. Malencia is tenacious to continue her struggle; consequently, she makes it through to Stage Four of the Testing, but not without losses. With Tomas as her only friend in Stage Four, Malencia is staking the risks very high, but she is not one to give up easily.	4

Christiansen, Maja	1. Compound sentences can be split into 2 independent clauses 2. The 2 clauses that form a compound sentence have to be related in some way 3. One can use a semicolon to split the sentences 4. Compound sentence independent clauses can be split by a comma and a fanboy 5. one can split a compound sentence with a conjunctive adverb and a semi colon. I love my book very much, more than my mouse. I would read it if I didn't already have the book "Uglies", which I am currently reading. It's a great book, and I'll read my book all day if I can, even at night. To be fair, books aren't always the best tool for learning, the book is written in poetry which can make it hard to understand, just like Shakespeare.	1

	Its written in verses; therefore, it is quite an artsy book, just like a masterpiece but by an author. All books are written with words; thus any one who can read will be able to understand my book, just like deaf people use sign language.	
De. C. Caio	This book is going to be funny, really. I mean the first sentence of the book was funny, I'm sure that this book will be funny. When I first started this book it was funny, and now it's hilarious. I'm not sure this book will be that good for grades. This book is way too simple, meanwhile that may be because this book is written by a 10 year old. I think that this book will be too easy for grades, thus since it's so simple, I won't be learnin 1. A compound sentence is 2 simple sentences. 2. A compound sentence is compounded by FANBOYS 3. If the ideas are closely related then you can put the sentences together using a “;” 4. You can add tools the make the compound sentence more 5. I don't know the last one	1
Halabeya, Shaker	The two independent clauses must be related in some way. Two independent clauses must be connected by a comma and a conjunction. Two independent clauses can stand on their own. The semicolon can be replaced by a comma and conjunction. Conjunctive adverb can join independent clauses. He lied about his Parents. He lied about his carrots. Felix ran through the Orphanage, but Mother Marty caught him. Mother Marty dropped a carrot into his soup, but Felix gave it to Dobbie. Dobbie rushed to help Djewel; therefore, Djewel rushed out of the toilet. The men burned the books; consequently, Mother Marty rushed out to stop them.	3
Hill, Maggie	Five rules 1. the 2 independent clauses have to be able to stand alone 2. the 2 independent clauses have to be connected/ linked in some way 3. the 2 independent clauses have to be joined by a fanboys 4. the 2 independent clauses have to be joined by a ; 5. or the 2 independent clauses have to be joined by a ; conjunctive adverb , independent clause Sad and lonely, Timothy comes from a broken home. Tim's parents got divorced, so now he lives with his mom. Tim decided to help pay for his little brothers treatment; therefore, he stole money from his uncle. Disciplined, Tim got caught. Forbidden, Tim is ban from the outside world, but people can visit him. Lonely, Tim doesn't have a dad; in addition , he barely sees his mom.	3
Loi, Noah	The 5 rules of compound sentences 1. (FANBOYS) can be used to connect the two independent clauses together	3

	2. Semicolon (;) can replace a conjunctive adverb 3. Two independent (two simple sentences) 4. An independent sentence can stand alone 5. Two independent clauses have to be related Kevin, known as a trouble in school, is a boy. He is in middle school. Kevin has three brothers in high school, and he has one little brother. Kevin is not rich, but people think his family is. Kevin pranked someone at school; therefore, he got suspended. Kevin is helping putting away library books after school everyday; meanwhile, he is sad. 3 more tools	
Low, Mark	Sentence with Conjunctive adverbs the 2 clauses must work separately ; can replace a fanboys. , with a fanboys must have 2 independent clauses Timothy stole a wallet; therefore, he is under house arrest. He has to deal with the thought that he failed to help his brother, and write the journal. Levi was sick; he needed help badly. Bobby, the store clerk, was pondering why a kid spent \$1400, and all on the same thing. Trying to help, Timothy made the mistake of sealing the wallet.	2 nri
Misra, Kushaan	Compound sentence is made of 2 independent clauses, which can stand alone. Can be joined by a comma + conjunction Two clauses must be related Comma can be replaced by a semicolon Clauses can be joined by a conjunctive adverb. Kevin is a seventh grader. He tries to be funny during class, by tearing out book pages and coloring on them, but he always gets sent to the principal's office. He has 4 brothers, whose names all start with P; therefore, he always feels like he's not getting what he deserves. He doesn't like that his dad doesn't spend time with him. He saw what an almost perfect dad was like on TV, from Dr. Huxtable, and he wants his dad to be like that. He never sees his dad; thus, he always is angry at him, wishing that his dad spent more time with him.	4
Mukherjee, Sneha	The 5 rules of Compound Sentences: • The two independent clauses in a compound sentence should be able to stand alone. • The two independent clauses in a compound sentence should have a direct link. • The two independent clauses in a compound sentence should be joined with a comma followed by a FANBOYS conjunction. • The two independent clauses in a compound sentence should be joined with a semicolon, if not joined by a comma and FANBOYS conjunction. • The two independent clauses in a compound sentence can be joined with a semicolon followed by a conjunctive adverb, and then a comma.	4

	Tool Simple sentence: Blue Compound sentence: Red Compound sentence with conjunctive adverb The book, <i>Wild Boy</i>, by Rob Lloyd Jones, is about fitting in and not wanting to feel different. In the first few chapters, the protagonist often finds himself wishing that he was more normal; however, he has no hope of ever finding a normal life. <i>Wild Boy</i>, as they call him, has to understand that the definition of normal varies from person to person, and he should just try to be himself. This is hard to do under such strict rules; it could get him into a lot of trouble. But I believe his stubborn attitude will be of great use later on. He should get everyone else to stand up for themselves; consequently, it could be the key to leading a normal life.	
Nguyen, Ryan	• Each independent clause can stand alone. • 2 independent clauses are connected by a comma and a conjunction • The independent clauses must be related in some way • The independent clauses can be connected by a semicolon • 2 independent clauses can be also be connected by a conjunctive adverb. Renowned, famous, and though stirring, the novel <i>The Picture of Dorian Grey</i> by Oscar Wilde portrayed many different issues. These issues included the search of fame and obsession, but I think that the main issue is influence. Though unfamous and insignificant, Basil Hallward seeks to influence Dorian Grey; thus, locking him away from the outside world. Versus Lord Henry Wotton who tries to bring Dorian's outright beauty to generate profit. Before Lord Henry came, Dorian lived a life of constant posing and modelling, for Basil gave him no choice. In the wake of these contradictions, I predict that a rift will form in Dorian's life; consequently, he will have to decide who to follow Wotton or Basil.	4
Pande, Rohan	Two halves can be an independent clause Two halves are joined together by a comma and conjunction The two halves can be joined together by a semicolon The two halves have to be linked together or related You can join the Halves with a semicolon and adverb. Timothy, a boy, is under house arrest. He has a little brother who was sick, so he tried to steal money, to buy medicine. Timothy's friend Jose tries to help Timothy's family, but he cannot fund everything. Ever since 3Leivie, his younger brother, was born he could not go outside; consequently, he can not go out with his friends. Timothy's dad left his family. Timothy has to be the man of the house; consequently, he is always under pressure from his family and friends.	3
Park, Jungyoung	• Both independent clauses have to be linked in some way. • Both independent clauses have to be able to stand alone as a sentence. • The independent clauses can be joined by a (, conjunction). • The comma and conjunction can be replaced by a semicolon.	3

	The independent clauses can also be joined by a (; conjunctive adverb). The novel, <u>I'd Tell You I Love You But Then I'd Have to Kill You</u>, is about a girl who goes to a school for spies. The school is called The Gallagher Academy. The school is a school only for girls, but only girls who are geniuses. Cammie's mom is the headmaster of the school; therefore, she is forced to go to this school. Cammie is capable of speaking many languages, and she is also capable of killing a man in seven different ways, one that involves a piece of uncooked spaghetti. The school teaches the girls about being a spy; furthermore, It teaches the girl to become very smart.	
Park, Sunwoo	- you can use ; instead of comma - you need two independent clauses - you need to use , fanboys - you can have ; conjunctive adverbs, - two independent clauses has to be linked James Adams is a kid that goes to CHERUB, a place that grows secret agent. He was recruited after his mom died, shocked and sad. He did his basic training, and big missions, like busting the biggest drug dealer of U.K, in which he almost got killed. He got his Navy shirt, therefore being an elite CHERUB agent. He has; infact, a girlfriend who is the most lethal CHERUB agent that is a girl. CHERUB is; likely wise, the best book I've read.	1 noredin k
Patel, Meera	- The two independent clauses must be able to stand alone. - The two independent clauses must be linked in some way. - The two independent clauses must be joined by a comma and conjunction. - A comma and conjunction can be replaced by a semi colon. - A conjunctive adverb can be used with a semi colon to link the two independent clauses. Japan is home to her. Her weakness is her life in America, solemn and enclosed. She can't seem to create a home there, and she isn't able to start her life again, full of happiness and joy. She was forced to move to america, but she knew she would miss her friends in Japan. Sad and weak, she was longing her old life in Japan; meanwhile, her mother was terribly suffering from breast cancer. Without any of her old friends, she realized that she needed to start her life again; therefore, she needed to have a positive attitude towards life.	4
Routhier, Meghan	Five Rules of Compound Sentences: The two halves could stand alone as individual sentences Two halves are joined by a comma and conjunction (FANBOYS) Information in two halves of the sentence must be connected in some way A semicolon can replace the comma and conjunction Conjunctive adverbs and semicolons can be used to connect two independent clauses. The boy only wanted to help his brother. His brother was dying, so he stole a wallet for medicine. Levi had a tube in his throat; therefore, he could breathe with ease. He was caught. He was put under house arrest, and had to write a journal about his weeks. The boy hated writing in the journal;	3

	furthermore, he didn't always write very nice things	
Smit, Calum	Two independent clauses They have to be combined by comma and conjunction Add Semicolon Add Conjunctive adverb after semicolon. They have to be linked together or related Timothy is stuck in house arrest and must write a journal about how all his days are going for him so far. Timothy has to make this journal, and he will end up in juvi for the journal does not show his innocence. This will save him from juvi, and give him more time to spend with his brother Levi. He is in house arrest because he stole a wallet, and used it to buy his brother Levi's medicine. This is sad; also his brother Levi doesn't get his medicine it could end up; consequently killing him. I think that this book teaches us a lesson; nevertheless it shows us what Timothy is willing to do to save his brothers life.	2
Tan, Coby	<u>5 rules on Compound Sentences</u> - The comma on a compound sentence and be replaced by a semicolon - There are 2 independent sentences and a conjunction, there's a comma before the conjunction - The independent sentences have to make sense or similar. - The 2 independent sentences can make sense without the conjunction. - Conjunctive adverbs have semicolons before it and commas after it, and there must be transitions The book is weird. It's written in a dull state; however, it was still interesting. One quote could be, "My lashes are not flat and straight like theirs." The interesting book that's in a poem. All the broken pieces by Ann E. Burg is about a boy who escapes the war. is traumatized, and attempting to fit in with new people. In addition the main character Matt Pin was traumatized by war; nonetheless he tries to move his horrid past away. Furthermore even though I haven't finished; likewise, I think the theme could be moving through horrid pasts.	1 NoredIN K
Towery, Erin	Kevin is a 7th grader in a family of absent parents and hateful highschool siblings. His brothers disclude him and bully him, for he is the youngest and believed to have the "easiest" life. Understandably, He feels a lot of anger towards them; furthermore harming people at school. Frustrated, he blocks people out when they try to help. Consequently, no one is able to help him through his struggles and he stands alone in a fight that he can't win. He tries and has good in his hard; however so he never gets a chance to prove himself.	2
Wachtel, Sophie	Rules - Two independent clauses joined by a comma then a conjunction (FANBOYS) or just a semi colon form a compound sentence. - Each sentence needs to be related to the other. - Each sentence needs to be able to stand alone. - tools can be added and removed from it.	2

	The book Rhymer Schemer, is about a seventh grader. This seventh grader, powerfull yet neglected, seems to run the school. After his bullying and shoving others around, it is clear he has the the power, but after he gets pushed around at home, he becomes the victim. By reacting, he creates a disruptive behavior at school, therefore, he gets in trouble alot. Creative and different, I think the author has written a good book, and a good story to tell. I think this book has a very powerful meaning, thus, I plan on reading more.	
West, Mychal	Rules-- 1) the two independent clause must be able to stand alone as its own sentence. 2) The two independent clauses must be joined by a comma and conjunction 3) The information in both clauses must be linked in some way. 4) A semicolon can separate the two independent clauses instead of a comma and conjunction 5) The two independent clauses can be separated by a ;conjunctive adverb, The book Port Chicago Fifty is about black sailors that are fighting for their rights to fight in the war. The African Furiously, American sailors want to help their nation, but not just be loading ammution for the other race sailors to use in the fight. This made them very angry. They wanted to fight in the war, so they went on strike! Joe Small was the leader the african americans look up to; therefore, he was often thought as a leader of mutiny by the navy. They went on strike; subsequently, they were sent to a war prison. This was the true story.	3
White, Michael	Rules-- 1. the two independent clause must be able to stand alone as its own sentence. 2. The two independent clauses must be joined by a comma and conjunction 3. The information in both clauses must be linked in some way. 4. A semicolon can separate the two independent clauses instead of a comma and conjunction 5. The two independent clauses can be separated by a ;conjunctive adverb, Tool Simple sentence: Blue Compound sentence: Red Compound sentence with conjunctive adverb The book book Harry Potter and the Half-blood prince shows how Harry Potter, a valiant and adventurous young man, must answer the call to fight for what he believes in. Harry's answer to this call is very important; additionally, how Dumbledore teaches him is vital to Harry's survival. Voldemort was gaining in strength,but Harry was becoming the most powerful wizard in the world, day by day. In order	4

	to win this inevitable fight, Harry had to prepare. Surprisingly, Harry needed to allow himself to be lured into Voldemort's trap; nevertheless, Harry's plot was to allow Voldemort to believe he won then beat him.
