United States Coast Guard Station
Golden Gate

Date Friday, February 13, 2026

Time 9:15 am

Registration closes: When all spaces are claimed

Open to all ages

Pathways Students: $10

Non-Pathways Student $10

No fees for adults - No more than 2 adults per family, please.

Student fees will be deducted from the students' EU (Educational Units) budget.

Please send a check made out to Pathways Charter & list the name of the event in the memo section.

Mail to: Field Trips, 150 Professional Center Drive, Suite D, Rohnert Park, CA 94928

Cash payments can be turned in at all three learning centers.

We are unable to take Venmo, Apple Pay or Credit Cards.

Join us on a tour of the Coast Guard Station Golden Gate. We will tour the Station and the Motor Life Boat. Students will participate in activities to learn about search and rescue on the coast and in the ocean.

Established in 1987, Station Golden Gate is the busiest search and rescue station on the Pacific coast, averaging over 600 cases per year, with a geographic responsibility extending along the Pacific coast from Point Reyes to Point Ano Nuevo, including the Farallon Islands, and within San Francisco Bay from Bluff Point to Pier 39.

Details:

- Address: 435 Murray Cir, Sausalito
- Approximately 90 minutes
- Please arrive by 9:15
- Park on WaterFront not in Station Parking Lot
