

Digital Portfolio Updates

1. You should include: A link to the project description with a *brief* description of what the project was about.

2. 4 paragraphs on the project:

Paragraph 1: Talk about your group dynamic. Who was in your group? How did you work together? What went well in terms of collaboration? What are some areas that you could grow as a group member?

Paragraph 2: Talk about what you learned/ how you worked during this project in terms of the learning outcomes: How did you use work ethic, collaboration, oral communication, written communication, and content in this project?

Paragraph 3: Talk about what you learned/ how you worked during this project in terms of the class values: How did you use/ demonstrate empathy, grit, responsibility, respect, and integrity throughout the project?

Paragraph 4: Talk about exhibition and your final products. How do you feel about what you had to offer to the group? How would you grade yourself in terms of our 9th grade learning outcomes and the class values? In this paragraph, make any other connections that you have not already had an opportunity to make, and share any lingering thoughts or questions from the project.

3. Photographs from the project.
