Subject Line: How to be a man of SHEER focus

What have you done today?

Did you finish the tasks that you planned for today?

Of course you didn't.

You just wasted your time on social media, watching Youtube videos and finishing the tasks of last week...

But don't be so hard on yourself.

It is difficult to concentrate in the modern world, especially when you are so exhausted from your job, right?

WRONG.

Every man has the inner potential of becoming a powerful human being,

To possess the discipline required for greatness and more.

And to become like that, you just have to put in the work. It is up to you.
