

# Pamper Yourself (or someone you love) while helping the Bedford Robotics Program

Bedford Robotics will be hosting a Mary Kay Cosmetics and Premier Designs Jewelry party to help earn money for our robotics teams. Consultants have agreed to **donate 20% of all sales** to our program.

Visit the robotics center (1135 Smith Road, Temperance, MI 48182) on **Thursday, August 14, from 7:00 - 9:00 PM** to see what each company has to offer. Shop for essentials or frills, and help us out!

Bring your mother, bring your daughter, bring your friends and have a fun time shopping while helping a great program. Door prizes and special incentives will be offered throughout the 2 hours. Earn more tickets to drawings by bringing more people with you.
