

Beautiful Red

Music: [Becomes The Color - Emily Wells](#)

Lyrics: 我(部分保留原歌詞)

Bright red color
It's the most beautiful shade
The feast will not over
Welcome to another one
That's fun fun funny
Sweet comes from your body
I thought you couldn't escape but you did
My senses awake
Craving for more
I'll get you even if you are at sea
I had a hunger
A mouthful of interludes
You'll do anything just to get rescued
I had longing
I am not a kid
Take take taste taste sweet
They told me you're in the South
You cannot resist
I know you'll make a sacrifice
All just for me
You cannot deceive
As long as you can breathe

I was ready to behave
There's no freedom
Without no cage
Whatever you think you can struggle
Don't worry about it dear it's where you come from

Wow wow, you are so sweet
You offered yourself as a sacrifice
Give it all to me, give it all to me
We're gonna be together for a long
Until the beautiful red just fade to black
When you start to miss me, think about the past
Keep on laughing, that's good memory
Keep on dreaming, I like to see you smile

I was ready to behave
There's no freedom
Without no cage
Whatever you think you can struggle
Don't worry about it dear it's where you come from

後記

第一次嘗試改寫歌詞(而且是英文.....), 寫得不好的地方還請見諒。
這是很喜歡的電影《Stoker(慾謀)》的主題曲, 有興趣的人也可以去看看這部(怎麼突然推坑?)。
