

We will be having an e-Learning Day on March 26st due to weather. Your child is asked to complete the following activities which are listed below for their daily assignments. Any questions throughout the day, please email either teacher or connect with us through Remind.

Math

1. Complete 3 starred/recommended IXL skills. (Students know they can enter into IXL through clever.com) -Make sure it's 3 different IXL skills, not the same one 3 times!
2. Watch this video to prepare for tomorrow's lesson.

▶ Algebra Basics: Graphing On The Coordinate Plane - Math Antics

Spelling

1. Write each Spelling word 10 times. We will only have one test this week which will be Thursday! You can also study on Spelling City in addition to writing them 10 times. We are on unit 7.1. If you earned 20/20 you can skip this.

Reading

1. Read independently for 30 minutes and fill out the reading log on Google Classroom. If you can't get online please document the following information:
 - What time did you start reading?
 - Book Title
 - What page did you start on in the book?
 - What time did you stop reading?
 - What page did you end up on after 30 minutes?
2. Read the following article [Urban-Gardening-Digging-Deeper.pdf](#) ([kidsgardening.org](#)). Write a short summary of the article explaining the benefits of urban gardening and different ways you could have your own garden. (There is a link on Google Classroom or it can be done on paper)

Social

1. Watch this Liberty Kids video on The Shot Heard Around the World.
