

2nd Grade Musical Menu Concert

Just a friendly reminder and some more information about our upcoming performance which will be taking place on stage in the cafeteria at Hutchings Elementary on Thursday April 11th at 7pm.

Please send students to their classroom 10 minutes before their showtime so that the classroom teacher can get them lined up and ready to go.

Students can come in a chef themed costume (apron, chef hat, etc) or just a plain colored shirt.

The performance is not mandatory and is meant to be fun. We have discussed feelings of nervousness and ways to handle those feelings but if a student feels too uncomfortable to perform please know that is ok. I want all students to have positive musical experiences!

Please feel free to reach out to me with any questions shultzs@howellschools.com
Thank you for letting me make music with your students. I can't wait to watch them shine on stage, I promise you they will not disappoint!

*Students that will have speaking parts will be bringing them home this week.
Please plan to practice and help them at home so they are ready. All songs have been posted on SeeSaw but the link to them is here as well:

 2nd Grade Concert

Musically,
Stacy Shultz
