8th GRADE PARENTS & STUDENTS:

On Monday night, we will have an 8th-grade parent and student meeting to work on Student Success Plans for grades 9-12. The goal of this meeting is to ensure that our 8th-grade students understand their options beginning next year. We will explain the pathways that we offer to graduate with Merit or Distinction. This is the students' and parents' first opportunity to make decisions about the students' courses for grades 9-12. We want the parents involved in this process, and we invite you all to attend our meeting at 5:00 PM in the High School Cafeteria.

STUDENTS:

We have two weeks remaining in the school year. Please check your grades and ensure that you have completed all of your work. Teachers will begin finalizing grades next week.

HONORS BREAKFAST:

Letters are being mailed home for students and their parents who are invited to the Honors Breakfast on May 21st. To be invited, a student must have All A's and B's all

quarters. If you do not receive a letter and believe your child should be invited, please call the school on Friday so we can check for you!

UPCOMING EVENTS:

May 21st - Honors Breakfast (9:00 AM)
