

There are many opportunities for student support at CVMS.

PAW	<i>Did you miss a test? Do you need help understanding a concept? Were you absent and need to turn in missed work?</i>	Every block day students can visit a teacher for support. The student must obtain a signed pass from that teacher before PAW begins. Come see me any PAW!
Your counselor	<i>Are you struggling with a situation and don't know what to do? Is there an issue with your schedule?</i>	You may request to see your counselor at any time. Visit the front office, or ask your teacher for a pass.
Bobcat Backyard	<i>Do you want an inside-space at lunch to go play games and hang out?</i>	Go to room
Academic Power Hour		
MathCounts		
SDSU Research Hub		
CVMS website	<i>Is tomorrow a 1/3/5 or single period? When's the dance? Who's my counselor?</i>	This contains many resources, such as calendars, bell schedules, activities, announcements, and links to many other supports.

Let me know if there's another support you need, or another resource I should be listing here.
