Please provide a picture of yourself and/or an arrangement here:	<p>I have practiced Ikenobo Ikebana for over 45 years in Taiwan, Japan and Toronto. Regularly there are a couple days in a week I run private lessons in a small group setting and each student works on their own arrangement with own pace. Although the number of students is limited, I enjoy the interaction with everyone and grow together with the students as I teach.</p> <p>While in-person instruction is not always an option lately, slowly I have attempted remote instruction. My goal is to be able to teach both in-person and virtual classes in near future.</p>

\*Are you willing to set up a time for a prospective student to meet with you via phone, Facetime, Zoom.
