

Ingredients

1 package chocolate chips
3/4 cups granulated sugar
3/4 cups brown sugar
1 cup butter/margarine softened
1 egg
2 cups all purpose flour
1 tsp baking soda

Directions

Mix sugar, butter and egg into a large bowl.

Stir in baking soda and flour.

Stir in chocolate chips

Drop tablespoons of dough onto a cookie sheet

Bake at 350 degrees for approx 5 minutes. (My oven cooks very fast.)

I like to take my cookies out before they are completely done to let them slowly finish cooking. They always seem to be softer when done this way.
