

Clark County School District Indian Education Opportunities Program Magnet, CTA, College and Career Readiness pathways, IEOP Tutoring

CCSD Magnet Schools

Clark County School District (CCSD) magnet schools bring together students from diverse backgrounds and offer specialized programs that ignite their passions and strengths. These schools challenge students to think creatively and solve problems analytically through innovative themes and unique teaching methods ranging from International Baccalaureate to performing and creative arts to STEM to leadership. This dynamic environment not only helps shape well-rounded individuals but also sparks innovation by allowing students to learn from different perspectives.
