

### **Ethical Concern Reporting Form:**

Please use the following form to report any ethical concerns or potential misconduct you have encountered in relation to the ASEAN Journal of Scientific and Technological Reports (AJSTR). Your report will be handled with the utmost confidentiality and will assist us in maintaining the highest ethical standards in scholarly publishing.

1. Your Name:
2. Your Email:
3. Are you reporting as: a. Author b. Reviewer c. Reader
4. Description of the Ethical Concern or Misconduct: Please describe the ethical concern or misconduct you wish to report. Include any relevant information, such as the manuscript or publication title, authors involved, and specific details of the concern.
5. Supporting Evidence: If available, please attach any supporting evidence or documentation that can help investigate the reported concern. This may include screenshots, correspondence, or any other relevant materials.
6. Confidentiality: Your report will be treated with the utmost confidentiality. However, if you wish to remain anonymous, please indicate that below. Note that providing your contact information will enable us to follow up with any additional questions or updates related to the investigation.
  - a. I wish to remain anonymous.
  - b. You may contact me for further information if needed.
7. Declaration: By submitting this form, I confirm that the information provided is accurate and that I am reporting this concern in good faith.

Please submit the completed form by clicking the "Submit" button below. We appreciate your commitment to maintaining ethical standards in scholarly publishing and will promptly review and address the reported concern. Thank you for your contribution to upholding the integrity of AJSTR.
