SLT Meeting #1 – September 3, 2026

<u>Today's Agenda</u>

September 22, 2026 will be the next election due to vacancies

Next SLT meeting will be Tuesday September 22, 2026 at 2:45pm
- On campus is encouraged (can do it virtually, but in person is preferred)
- Dates for the rest of SLT will be discussed
- We will have a visitor from the office of space planning

Community Meeting - 9/23/26
- Not just a meeting for parents/teachers

On or *before* December 2nd, there will be a joint public hearing similar to the community meeting

- Regarding if we can get into the building by Sept. next school year

School construction
- Goal is to have the building wrapped by January; there should be no delays from a construction POV (electric, wall, plumbing)

Parking
- Once construction is finished, there should be more parking available for staff
- Parking passes have been inquired….

Exciting things from a SLT POV…
- Over the summer, met with NYCFC regarding a soccer field
  - Upper school yard will have brand new turf
  - It will take 1-1.5 weeks to put in, not on a school day

This year the Halloween Parade will be on Friday 10/30/2026, on a half day

- The hope is that we can be outside, not on the turf so as to preserve it

The DOE is still working out…
- Pre-K -2: *0 minutes of screen time*
- Grades 3-5: *30 minutes of screen time*
- Grades 6-8: *35 mins of screen time*
- Teachers can still use AI to help them plan, and it is encouraged

MAP and state testing will still be online
Teachers may not use AI to score tests
- Writable scores tests, but it is not

We have an opportunity to place real books and novels back in the hands of children
