QUICK DELIVERY

You can pay an extra for a **quick delivery**, which means I prioritize your commission and I will finish it as soon as possible. The estimated waiting time is 15-20 days from the moment I start working on your illustration. **So in this way I will finish your drawing in 14-7 days.** If the deadline is less than 3 days I will not be able to accept your order, so please ask for it as soon as possible if it is urgent! There will be an extra cost depending on the urgency of the delivery date:

- If the date you want it to be sent is within 2 weeks, the price will increase +30% of the final price.
- If the date you want it to be sent is within 1 week, the price will increase +50% of the final price.

Before commissioning me, please, check carefully my **Terms of Service** to get all the necessary information.

It might be a tedious document, but it is necessary to avoid misunderstandings and it's also required (by agreeing to pay, you are blindly accepting all my conditions. And come on! I've been writing and laying out this document for days! XD)

It is important for you to read the documents as you will automatically be accepting my terms upon your purchase. **I will not be held responsible for your own misconception** if you, the client, did not read the terms of service.

GENERAL INFO

- You are only **purchasing a digital file**, not printed art.
- You will receive the full-size illustration by **WeTransfer**.
- A **tiny signature will always remain on the artwork**.
- **Be sure you save the image** somewhere you can be sure you won't lose it (I don't delete my projects, but I may have an accident one day and I won't be able to provide it to you again).
- **I reserve the right of canceling your petition** if I don't feel like drawing it or you have been proved troublesome in any way to me or other artists **or I can simply refuse any commission** which I don't feel comfortable with.
- **You mustn't ask me to draw in a different style.**

- By purchasing any of my services you're automatically accepting my Terms of Service and being obligated to follow them. As well as promising you won't request any Paypal chargeback.

COPYRIGHT | USAGE POLICY

- As the artist, I reserve every right to the produced artwork, so I may do whatever I wish with it, unless you want it private.
- You are **NOT ALLOWED** to:
 - Change, modify, or use my works for purposes that weren't discussed in the initial project.
 - Take credit for the art nor remove my watermarks/signatures.
 - Use any of my creations in any blockchain-related technology, including NFTs, cryptocurrency, or future inventions in the space.
- In case of commissions for personal use: If you wish for the artwork not to be uploaded anywhere on the internet I'll charge you an extra 30% fee of the total price.

If by any chance you wish to "un-private" that commission in the future (so you can upload it somewhere), you just have to message me again, however, there will be no refunds for the extra private fee.

- In the case you want to "private" your comm for a specific occasion (birthday present, for example) just explain it in the form and then you won't have to pay the extra.
- In the case of Simpson style commissions, I'll never post your private photos on my social media to compare. So, if you want to private your illustration for this reason you don't have to worry about that, I would post only my work.

PAYMENT

- **Payments will be made through Paypal and in Euros (€)** unless I give you other instructions. If you don't know how much prices are in your currency you may use Google converter.
- **I require full payment before I start the artwork.** Partial payments may be discussed for some Commercial projects or special cases.
- **I will request payment to your Paypal address through an invoice. This is to avoid accidental transactions.**
- I expect payment to be received in the next 3 days after I sent you the invoice. If you are not able to pay at that time, please let me know first so we can discuss any other agreements.

HOW TO ORDER

- **Read all commission info and terms of service.**
- After getting yourself familiar with my Terms of Service, fill the form you'll find [HERE](#) and [HERE](#) (Simpson style).
- Wait for my answer so we can discuss any details if needed. I will usually respond within 48 hours, but if I don't answer, contact me through Instagram because it is possible that your email has been sent to spam.
- If I accept your request, you'll directly go to the waiting list. No payment is needed until I notify you that it's your turn.
- *Please, note that English is not my first language so try to spell everything well and avoid using too many abbreviations or slang so I can understand you easily (pls, my English really sucks!).*
- If it's a lengthy project that's hard to explain through a form, please let me know a few details of your project so I can tell you if I'm interested or if I'll be able to take the work.

WORK SPEED

- I will try to finish your commission as soon as possible, however, please be patient. **The estimated waiting time is 15-20 days from the moment I start working on your illustration.** If you have ordered more than one illustration or something very complex, the waiting time will increase. You can send me a message for a status update whenever you want.
- **I will always inform you if something comes up or if there is a delay with the art.**
- If you need your commission to be finished by a certain date (for example; the commission is a birthday present) **you must state it in the form.**
- If you want to order a quick delivery you must state it in the form. Extra fees may be charged due to giving priority to your commission.

CHANGES

- After I send you the sketch, **make sure to check everything carefully and let me know if anything should be changed.**
- During the sketch stage, **I will accept a maximum of 3 important changes** (Such as an outfit addition or subtraction, pose change, background, or anything that makes me have to redraw parts of the picture). After the 3rd change, I have the right to decline any further changes or to charge you an extra fee per change.
- Once the picture is finished, I can do small changes for free such as color adjustments and/or adding tiny details I may have forgotten. Any bigger changes will come with an extra fee. I can only make free changes if:
 - I forgot something.
 - The color I used isn't correct.
 - I made a mistake.
- In the case of concept designs, you have the right to choose 5 outfits and 5 face/hair sketches.
- If you need more sketches, the price will increase.
- If your reference to start with was unclear, then you are not allowed to do minor changes without a fee. Make sure to be clear in your order what you aim for.

REFUNDS

- I can refund 100% of the payment only if I have not started working on the sketch. Once I have started the sketch I can refund 30% of the payment.
Once I reach the lineart stage there will be no refunds.
- You have no right to cancel or demand a refund from the artist under any circumstances after payment is received, unless there's a good reason for it (such as serious financial problems).
- If you file a chargeback against me on Paypal, your right to everything I have ever made for you will be retracted and I have the right to sell the copyrighted artwork to new buyers. Also, note that you will be blocked and you won't be able to purchase anything from me anymore. Your username and details about the case will be publicly posted for others to watch out for.

- **HOW LONG DOES IT TAKE TO DELIVER A COMMISSION?**

Between 15-20 days since I started your comm. If you want a quick delivery you must specify it in the form and add the date you want it to be sent.

- If the date you want it to be sent is within 2 weeks, the price will increase +30% of the final price.
- If the date you want it to be sent is within 1 week, the price will increase +50% of the final price.

- **CAN I BOOK A SLOT?**

If we talk about it, yes, sure! ^^

- **WHEN WILL I RECEIVE MY ORDER IF I PAY FOR EXPRESS DELIVERY?**

It depends. If you have requested an order with a deadline of less than two weeks, it means that I must prioritize your order before others. Also depending on the time allowed I have to work, the price will increase but I will always send your order before the deadline, unless I have a problem so I'll notify you in time.

- **WHY DON'T YOU ACCEPT MY ORDER?**

It would be for many reasons (and It really doesn't need to be explained):

- I don't have time for your order (pls, try to reach a slot when I'm not busy)
- I'm not comfortable with your order.
- I have too many orders and I don't want to accept more work than I can take (you know, to take care of my mental health or avoid not to look like a scammer)
- I suspect you are a scammer or you're a problematic client.

- **WHY DON'T YOU ANSWER MY MESSAGES?**

Maybe it's because I'm very busy (off-screen life or many comms) or your messages are in my email spam. If it is urgent, please use other, more direct ways of communication such as Instagram Direct.

- **CAN I REQUEST CHANGES IN MY COMMISSION?**

Sure, you have 3 maximum changes in the sketch stage. For concept design commissions, you have 10 changes availables (5 for outfits & 5 for face/hair). I can change for free some value colors, if I made a mistake or if I forgot to draw something. I can refuse to change anything more if you don't send me good references or if you exceed the number of changes. Also there will be an additional cost for new changes.

- **CAN I LET YOU CHOOSE THE IDEA/DESIGN FOR MY ORDER?**

No, unless you pay for the concept art fee.
