8:00 am- 2:00 pm

Memorial Elementary School

- The Bedford School District will be conducting a free screening for Bedford Children ages 2.5 to 6 years old that are suspected to have delays in one or more areas of development.
- The purpose of the screening is to identify children who may require special education services.
- Screenings will be conducted in the areas of language, motor, early academic skills, vision, and hearing.
- Additional safety measures are in place this year due to Covid-19.
 - All families and children are required to wear a mask to enter the school building.
 - Families will be asked to remain in the lobby of the school and/or in their vehicles while the team conducts the screening.
 - Increased time in between screenings to allow for cleaning of surfaces and materials.
