RE: Vendor/Sponsorship Opportunity – Parker's Way Foundation Fundraiser Dinner

Parker's Way Foundation supports under-served families impacted by autism and we raise awareness & acceptance of Autism Spectrum Disorder. Our annual charity event is our foundation's opportunity to connect families with service providers and raise awareness around the importance of inclusiveness and early intervention. Funds raised from this event will support our activities for the year. Our main activity is our signature playdate "An AUsome Day to Play." We curate playdates that are inclusive to all children yet tailored to the special needs of autistic children. Parker's Way Foundation strives to host playdates on a quarterly basis. Our playdates, Easter Egg Hunt, Toy giveaway, and P's 2 healthy eating initiative are just a few of the events and programs that we focus on throughout the year.

I am reaching out to see if you would be interested in becoming a sponsor for our upcoming annual charity event, on November 3, 2023 at Edged Events in Lawrenceville, GA. We are humbly requesting a donation of \$200.

I have included information about our organization, Parker's Way Foundation. We are a Non-Profit Organization, 501 c (3), and can be found on Guide Star.

Warm regards,

Summer Hutchins (Founder/President)
