Want to donate instead of volunteer?

Families that cannot volunteer to meet these expectations may make a financial contribution to the New Mexico International School Foundation (NMISF) in place of these volunteer hours. **A donation of \$25 will be equivalent to one hour of volunteer work.** To make a donation to NMISF in place of volunteer work, visit www.nmisf.org/donate. For problems or donation

logistic questions, please email info@nmisf.org. Please note that this donation does not take the place of contributions during the Annual Pledge Drive.
