Bunni's Commission Blacklist

Although I sincerely hope this page isn't graced by too many names, with the sheer amount of problematic/untrustworthy behaviour apparent in the art and roleplay space - I think it's time for me to make a list of people I **refuse** to work with.

THIS LIST IS NOT AN INVITATION TO HARASS, STALK OR WITCH-HUNT ANY OF THE INDIVIDUALS. IT'S A LIST FOR USERS WHO HAVE CAUSED ME OR ANY OTHER ARTIST/FRIEND OF MINE ANY TROUBLE OR HARM AND IT IS TO BRING AWARENESS TO WHAT KIND OF PEOPLE THEY ARE.

Additional rules:

- If it comes to my attention that you have used my artwork/services to give to any of the blacklisted people - you will be banned from any further services from me and your name will also be listed below.
 - If you are a known acquaintance of a user from this list, I may be hesitant to accept your commission.
-

By no means will I work for the following users:

Username	Website	Reason for ban
valorasaku/valorakujo/valora.bsky.social	Twitter, Bluesky, Discord	My original post - Used commissioned artwork, and a paid outfit of mine to create a mod in Final Fantasy XIV, this was without credit for the reference, and was passed off as their own work. Though the situation has been resolved, this is not the first, nor will be the last time this will happen. As a request, for those who are seeing this blacklist, I ask that if you see those commissioning work using the mod - or reposting the mod, that you aim to get it taken down or make the original poster aware that the work was stolen.
BronzeAgeFox	Twitter	Original Post - complained about an artist not beginning their commission after just 3 days since payment. Tried to make a callout post on the artist, to which they openly slandered them and others who stuck up for the artist.
beths_arts	Twitter, Warcraft	Consistent stalking, harassment and slander of myself for the latter half of 2022-Present.
aetherwyvern/rinmancer	Twitter, Warcraft	Repeated breaches of commission TOS which resulted in a complete ban and blacklist. Art theft, death threats, consistent stalking, harassment and slander of myself, friends and a partner from May '23-Present.
Lunaforiss	Twitter	 Beware of @ Lunaforiss I do not condone the actions of someone who takes money and runs whilst ghosting people. If you do this, you are unforgivable in my eyes.
