

Dacusville Middle School

2025-2026

Dacusville Middle School Families,

Welcome to Dacusville Middle School! We are honored to serve your family and thrilled to share that our school is now a **Title I school**, a designation that brings valuable opportunities and expanded support for all of our students.

What is Title I?

Title I is a federal program that provides additional funds to schools to ensure all students have access to high-quality, rigorous learning experiences. These funds allow us to strengthen reading and math instruction, increase family engagement, and provide resources that directly enhance academic growth and social-emotional development. Becoming a Title I school is a tremendous benefit for our community, and we are committed to using these resources responsibly and intentionally for your children.

Through Title I, Dacusville Middle is able to offer:

- **Additional instructional materials.**
- **Professional learning opportunities for teachers**
- **A Free Parent Resource Center**
- **Family workshops, academic nights, and hands-on activities**
- **Tutoring**

This year, we are excited to offer numerous opportunities for you to engage with our school. Be on the lookout for details about Open House, our Annual Title I Parent Meeting, family workshops, and a variety of events designed to strengthen the home-school partnership. Your participation enriches our entire school, and we truly believe that your involvement makes the difference!

We are grateful for your partnership and look forward to working together to create a year full of learning and growth.

With great enthusiasm,
Dacusville Middle School
