Subject: THANK YOU & NEW BOOSTER CLUB BOARD

Hello T&F Families,

Let me start by saying THANK YOU for the appreciation & recognition you offered me at the Banquet. I greatly appreciate the kindness & I was honestly blown away! It has been a privilege to be part of the Conestoga Track & Field Booster Club! (2025-2026 Booster Club Members noted below)

Thank you to T&F Volunteers, Booster Club Members (past & present) & our Coaches who are amazing community leaders. Three years ago, we set out to create a Booster Club program that Branded Track & Field within the Stoga Community while celebrating our Athletes, Supporting our Coaches, & Connecting with our T&F Families! And we accomplished those objectives together!

Here is a snapshot of the Booster Club Activities!

If every family contributes their time in some way, each season, the success of this Booster Club will continue to thrive.

- Around the Track weekly communications keep our families connected.
- Athlete recognition as results are shared with the STOGA Community & TETV after each meet.
- Monthly Pasta Nights take over the STOGA cafeteria as all our families come together to feed 140+ athletes.
- Team Snacks for each meet.
- Pizza Night Dinners make Winter Awards Nights a family event as Parents join in the celebrations.
- Monthly Team Treats from Cookies to Rita's Water Ice acknowledge our athletes' Grit & Determination, creating camaraderie after practice.
- We have a Team [website](#), & social media presence on [Instagram](#) & [Facebook](#), as well as a [team store](#) that supports our fundraising with each purchase.

- [GOTSNEAKERS](#) club within a sport, with collection boxes in each school within the TE School District. Started by two of our Athletes & supported by their teammates, to help those in need & offer fundraising opportunities for the club.
- Dine Out for Dollars, Road Runner Spike Nights & fun Dues Gift "SWAG" to raise funding that allows the cost of dues to remain consistent.
- Fundraising support allows us to recognize our Coaches for their hard work in making our Team Great!
- T-Shirts for each Season & Uniform Table Sales
- Purchasing of Awards, Medals & Equipment needs
- Parents are our paparazzi! Continue taking pictures & store them on our [Google Drive](#) for the Banquet slideshow & social media.
- Underclassmen Traditional Poster making & T-shirts for Senior Night
- Senior Spotlight on Social Media & Senior Banner Gifts
- Memorable Senior Nights with Pizza & Families. It takes a village to create this night. support from our underclassmen families is needed to continue this tradition!
- Banquet at Aronimink Golf Club for a fun end-of-season with awards, athlete & coach recognition, slide show, senior gifts & a Taco Bar Celebration.
