

Bal de la Symphonie

Who attends the ball? Admission to the ball is included in the yearly fees for Sophomores, Juniors and Seniors. LJA parents must purchase 2 ball seats during LJA's sophomore year and 3 ball seats during LJA's junior year for the LJA and her sponsor to attend the ball sophomore year, and for LJA and both parents (or sponsor and the LJA's Presentation Escort) to attend junior year. Each LJA attending the Bal de la Symphonie must be supervised by either her sponsor and/or parent who will be in attendance at the ball. If you are unable to attend for any reason, these seats are non-transferable.

Ball Attire: Ladies and LJAs wear floor length gowns. Styles of gowns range from simple sheaths to beaded ball gowns. Men must wear white tie and tails.

Class Projects

The Bal de la Symphonie is very special because all of the LJAs participate in making it a beautiful event. Each LJA class has a project. Participation is mandatory and very important. If an LJA is unable to attend her class project, she will have to attend an additional concert during the year.
