

CAFE RIO CILANTRO RANCH DRESSING

This dressing is divine. You can use it on any salad. Very very tasty. And a must for anything you want to call "Cafe Rio".

1 packet TRADITIONAL Hidden Valley Ranch Dressing mix (NOT buttermilk)
1 c. mayonnaise
1 c. buttermilk
2 tomatillos, remove husk, diced
1/2 bunch of fresh cilantro
1 clove garlic
juice of 1 lime
1 jalapeno (to taste - I use about 1/4 a jalapeño and no seeds. I just can't do spicy like I used to.)

Mix all ingredients together until WELL BLENDED. (I've had to dump it back into the blender a couple of times because I found some rogue tomatillo pieces when pouring it out.)
