FAQ on Data Mining 1 Course 2025/2026

1. Group Composition

- Each group must consist of **2–3 members**.

- Groups with more than 3 people are **not allowed**.

- Working alone is only permitted in **exceptional cases** that must be justified. In such situations, you must send a request by email to the instructors and obtain approval.

2. Deliverables

- Only the **final report** must be submitted to the instructors.

- The implementation (code) can be developed in **Python, R, or any other programming language** you are comfortable with.
